KEY DATE

♇ Pluto stations Retrograde

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

KEY TRANSIT FACTORS

☉ Sun * Sextile ☾ Moon *

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

♁ Chiron * Sextile ♂ natal Mars

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

☉ Sun ∟ Semi sextile ♁ natal Chiron

These days you are **more willing to acknowledge your own past difficulties without dwelling on them**. You find yourself talking openly about old hurts or disappointments with a calm, practical tone that surprises others. This gentle support from *transiting Sun* to your natal *Chiron* makes emotional conversations feel lighter and less raw.

♊ NNode □ Square ☿ natal Mercury

Right now you're running into friction between what you want to say and what actually comes out, leaving conversations awkward or misunderstood. **You second-guess yourself constantly**, rewriting messages in your head and struggling to explain your real thoughts clearly to others. Over the coming weeks, this mismatch between your thinking and your ability to communicate will force you to slow down and pay closer attention to how you're actually being heard.

♄ Saturn ∟ Semi sextile ♊ natal NNode

Over the coming weeks, you find it easier to **follow through on commitments** without second-guessing yourself or overthinking the details. A quiet confidence settles in when you're working toward goals that actually matter to you, and you waste less time on distractions. This practical steadiness helps you build real progress in areas where you've been hesitant or uncertain.

☉ Sun * Sextile ♀ natal Mercury

Your thinking feels clearer right now, and you find it easier to explain what you actually mean to people around you. Conversations flow naturally without the usual awkwardness, so this is a good time to tackle practical discussions or present ideas at work. This **mental clarity and confidence** won't last forever, so use these weeks to sort through decisions you have been putting off.

☉ Sun ∟ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.
