## KEY TRANSIT FACTORS

### ♁ NNode \* Sextile ♁ natal Chiron ★

Over the coming weeks, you find it easier to **talk openly about past hurts without getting stuck in them**. People respond well when you share something real about yourself because you're no longer defending or minimizing what happened. This practical shift in how you communicate creates real opportunities to connect with others on an honest level.

### ♁ NNode qx Quincunx ♃ natal Mercury ★

Over the coming weeks, you'll notice your usual way of explaining things doesn't quite land the way it normally does. People seem to need you to say things differently than feels natural to you right now, which can be **awkward and frustrating** in conversations. The mismatch between what you want to communicate and what actually gets understood will push you to find new ways of thinking about how you talk to others.

### ♂ Mars ☌ Conjunction ♁ natal Lilith

Right now you're more **willing to push back against rules that feel unfair**, especially in situations where you've been quiet before. You might argue with authority figures, challenge expectations at work, or speak up about what you actually want instead of going along with what others prefer. This directness can clear the air or create friction depending on how you handle it.

### ☉ Sun Δ Trine ♃ natal Jupiter

Right now you find it easier to take reasonable risks and see possibilities instead of obstacles in your practical situations. You feel more confident in social settings and people respond well to your **natural optimism**, which makes conversations flow and opportunities show up. This period is ideal for pitching ideas, asking for what you want, or starting something new because your timing feels right and your judgment is solid.

### ♄ Saturn qx Quincunx ♃ natal Jupiter

Over the coming weeks, you feel caught between wanting to expand your plans and a nagging sense that something needs tightening up. You find yourself **second-guessing decisions you would normally make quickly**, asking practical questions about timelines and resources that didn't occur to you before. This mismatch between your optimism and your caution isn't comfortable, but it often leads to better-prepared choices once you sit with the discomfort.

### ☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

### ☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### › Moon ☾ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

### LUNAR DAY

---

Moon in ♒ Aquarius · Day 17 / 30 · Full Moon

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

### CLOTHING & JEWELRY
