KEY TRANSIT FACTORS

♅ Uranus ☐ Square ♀ natal Venus · peak 2 Dec

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

♁ Lilith ♂ Conjunction ♊ natal NNode · peak 2 Dec

Right now you're more willing to question social rules and expectations that don't actually fit who you are. You might feel **restless with routines or relationships that require you to stay small**, and you're less likely to apologize for taking up space or speaking up. This period invites you to notice which boundaries you've kept out of habit rather than genuine choice, though acting on that awareness requires thought and timing.

♆ Neptune ☐ Square ♂ natal Mars · peak 14 Dec

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

♃ Jupiter ☐ Quincunx ♃ natal Jupiter · peak 7 Dec

Right now you are noticing a mismatch between what you want to expand in your life and what actually fits your current situation. You might feel pulled toward a new opportunity or ambition, but something about it does not quite align with your practical reality. Over the coming weeks, the adjustment you need to make will become clearer if you stop pushing and instead listen to what feels genuinely **workable** rather than just exciting.

♃ Jupiter ☐ Square ♇ natal Pluto · peak 12 Dec

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

♇ Pluto ☐ Square ♀ natal Venus · peak 21 Dec

Your relationships feel strained right now as you become more critical of your partner or people close to you. You may notice yourself **withdrawing affection or testing whether people really care**, which often pushes them away further. Over the coming weeks, this pattern will force you to look honestly at what you actually want from your connections instead of settling for surface comfort.

♄ Chiron ☐ Square ♀ natal Venus · peak 31 Dec

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

♆ Neptune ☌ Quincunx ♀ natal Venus · peak 1 Dec

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

♃ Lilith ♂ Conjunction ♂ natal Mars · peak 31 Dec

Right now you're more willing to act on what you actually want instead of what you think you should do, and this shows up as **pushing back against rules or expectations that don't fit you**. You might say no more often, stand your ground in conversations, or make choices that feel personally true even if they upset someone else. These days this directness can feel good and necessary, though others may find you harder to manage than usual.

♄ Saturn ☌ Quincunx ♂ natal Uranus · peak 1 Dec

Right now you feel caught between wanting to stick to your usual routines and an urge to break free from them, which creates an awkward tension in practical decisions. You might find yourself **hesitating before making changes** that normally feel automatic, or feeling frustrated when rules or limitations interfere with your independence. This period pushes you to figure out a middle ground, though it won't feel comfortable while you're looking for it.

♄ Uranus ☌ Quincunx ♂ natal Mars · peak 25 Dec

Your usual way of pushing forward or getting things done feels slightly off right now, like your timing is consistently a beat late or your efforts land awkwardly. You might find yourself **starting projects with energy but then stopping to rethink your approach** halfway through, which can be frustrating if you're used to just powering through. Over the coming weeks, the practical answer is to build in extra adjustment time and expect that your first attempt at something physical or competitive may need a revision.

♄ Saturn ☌ Semi sextile ♄ natal Chiron · peak 31 Dec

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

♄ Chiron ☌ Semi sextile ♃ natal NNode · peak 1 Dec

Over the coming weeks, you find it easier to **spot patterns in your own behaviour** without getting stuck in self-criticism. Small conversations or situations naturally point out where you've been repeating the same mistakes, and you actually listen instead of defending yourself. This practical self-awareness makes it simpler to adjust course in relationships and work without needing to overanalyse everything.

♃ NNode ♂ Conjunction ♄ natal Saturn · peak 31 Dec

You are more aware right now of where you need to set limits and take responsibility, and you find it easier to say no to things that drain you. This period pushes you to **get serious about your commitments** and cut away what does not matter. Over the coming weeks, you may feel less interested in socializing or taking risks, and more focused on building something solid that will actually last.

♃ NNode ☌ Semi sextile ☼ natal Sun · peak 1 Dec

These days you find it easier to say yes to opportunities that align with what matters to you, without overthinking or second-guessing yourself. People respond well to your **straightforward confidence**, and small doors open because you are simply more willing to walk through them. Over the coming weeks, you may notice that the choices you make feel less exhausting because you are following your own direction instead of trying to fit someone else's plan.

♃ Mercury Rx · ♋ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

LUNATIONS

○ Full Moon · Wednesday, 8 Dec [Eclipse](#)

in ♊ Gemini

information peak, scattered focus, mental overload

in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

● New Moon · Thursday, 23 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H6 — Health & Service

Your daily routines and health habits are ready for a reset. This lunation opens a new cycle around **work, service, and physical wellbeing** — an ideal moment to start a new diet, organize your work environment, or establish habits that will support your energy long-term. Small, consistent changes begun now will compound into significant improvements. Pay attention to your body's signals and don't dismiss minor issues before they develop further.

KEY DATES

Thu, 2 Dec ☽ Uranus ☐ Square ♀ natal Venus

♀ Lilith ♂ Conjunction ♃ natal NNode

Sun, 5 Dec ♃ Neptune ☐ Square ♂ natal Mars

♃ Jupiter ☐ Square ♃ natal Pluto

Tue, 7 Dec ♀ Venus enters ♒ Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Wed, 8 Dec Full Moon in Gemini

Sun, 12 Dec ♃ Jupiter ☐ Square ♃ natal Pluto

♃ Pluto ☐ Square ♀ natal Venus

Mon, 13 Dec ☿ Mercury stations Direct

☽ Uranus ☐ Square ♀ natal Venus

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Tue, 14 Dec ♃ Neptune ☐ Square ♂ natal Mars

Tue, 21 Dec ♃ Pluto stations Retrograde

♃ Pluto ☐ Square ♀ natal Venus

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

Wed, 22 Dec ☼ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Thu, 23 Dec ♂ Mars enters ♒ Aquarius

New Moon in Capricorn

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this

transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Sat, 25 Dec ☿ Uranus stations Retrograde

Uranus stationing retrograde typically brings **delays and reversals** in tech, internet connections, and unexpected plans that felt solid just weeks ago. Areas like innovation projects, group friendships, or sudden life changes often **pause or shift direction** — what looked like progress stalls, and people find themselves rethinking decisions they thought were final. In practice, this period favors **reviewing old ideas** rather than launching new ones, and you'll notice others becoming less willing to commit to radical changes or unusual partnerships.
