KEY TRANSIT FACTORS

♅ Uranus ☾ Semi sextile ☾ natal Moon · peak 10 Dec ★

Over the coming weeks, you notice yourself willing to **try new routines without getting attached to them**, which makes daily life feel less rigid. Your emotional responses shift just enough to give you a little breathing room when you'd normally feel stuck in the same reactions. This gentle loosening helps you handle small changes at home or in your personal habits with more ease than usual.

♇ Pluto * Sextile ♃ natal Jupiter · peak 30 Dec ★

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

♆ Neptune ☉ Opposition ♄ natal Saturn · peak 31 Dec ★

Right now you are caught between wanting to escape your responsibilities and needing to keep things in order, which creates real confusion about what you should actually do. You may **avoid making decisions or following through on commitments** because the practical next steps feel unclear or pointless to you. Over the coming weeks, this friction between *Neptune's* desire to dissolve boundaries and *Saturn's* demand for structure will likely show up as missed deadlines, vague promises you can't keep, or a creeping sense that your plans are falling apart.

♅ Uranus ☐ Square ☉ natal Sun · peak 1 Dec ★

Right now you feel restless with routines and rules that normally keep you stable, and you may act on impulses that surprise people who know you well. **You push back against limits** in ways that feel necessary to you but create real friction in your work or relationships. Over the coming weeks this sense of needing to break free will likely intensify before it settles, so expect some temporary disruption as you figure out what actually needs to change.

♂ Mars △ Trine ♀ natal Venus · peak 1 Dec ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

♊ NNode ☾ Semi sextile ♊ natal NNode · peak 8 Dec

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

♃ Jupiter ☿ Quincunx ♄ natal Saturn · peak 23 Dec

Over the coming weeks, you feel caught between wanting to expand and needing to play it safe. You might say yes to an opportunity at work or in a relationship, then immediately feel anxious about whether you can actually handle it. **This creates a practical tension where you're pulling yourself in opposite directions**, making it hard to commit fully to new plans or let yourself relax into them.

♃ Jupiter ∟ Semi sextile ♆ natal Neptune · peak 21 Dec

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

♃ Jupiter ∟ Semi sextile ♃ natal Jupiter · peak 3 Dec

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

♇ Pluto ☿ Conjunction ♇ natal Pluto · peak 1 Dec

You feel **driven to remake something fundamental in your life** — whether that's your work setup, a relationship dynamic, or how you spend your time. This pull is intense and hard to ignore, even if you can't quite explain why you suddenly need things to be different. Over the coming weeks, you'll likely act on these impulses, clearing away what feels dead and rebuilding from scratch.

♃ Jupiter ∟ Semi sextile ♇ natal Pluto · peak 1 Dec

While this lasts, you find yourself **willing to take small risks that push you past old limits**. You feel a quiet confidence in your ability to handle situations that normally feel too big or demanding, and you naturally start saying yes to opportunities you would have avoided before. Over the coming weeks, this steady courage tends to open doors that lead to real personal or professional growth.

♅ Uranus ☿ Conjunction ♅ natal Uranus · peak 31 Dec

You feel restless with routines that used to feel normal, and you start noticing things about your life that suddenly feel outdated or limiting. Your urge to **break free from what isn't working** becomes much stronger right now, whether that means changing how you spend your time, who you see, or what you commit to. These impulses are worth taking seriously—they often point toward changes that actually need to happen, even if the timing feels uncomfortable.

♄ Saturn ∟ Semi sextile ♄ natal Saturn · peak 31 Dec

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

♆ Neptune ☿ Conjunction ♆ natal Neptune · peak 31 Dec

Your sense of what is real and what is imaginary gets softer right now, and you may find yourself **less certain about your own perceptions** than usual. You might notice your boundaries with other people becoming blurry, or you feeling pulled into situations without fully understanding how you got there. Over the coming weeks, your practical judgment works best when you double-check your assumptions and avoid making big commitments based on intuition alone.

♆ Neptune ☿ Conjunction ♃ natal Jupiter · peak 1 Dec

You're more willing to take risks right now, and your usual caution about money or commitments feels less important than it did before. This can work in your favour if you're starting something new, but you might also overlook practical details or agree to things without checking the facts first. Over the coming weeks, check decisions twice before acting, because your judgment about what's realistic is softer than normal.

♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

KEY DATES

Mon, 1 Dec ♅ Pluto ♂ Conjunction ♅ natal Pluto

Fri, 5 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Sun, 7 Dec ♁ Lilith enters ♌ Leo

Lilith in *Leo* brings a shift toward **standing out and speaking up** — people tend to stop hiding their opinions and push back more openly when they disagree. At work and in relationships, you'll **notice more direct confrontation** over who gets credit, attention, or control, with less patience for being overlooked or sidelined. This transit often makes people **more stubborn about their choices**, especially around creative projects, romance, or decisions where they feel their pride is involved.

Mon, 8 Dec ♅ Pluto ♂ Conjunction ♅ natal Pluto

Tue, 9 Dec New Moon in Sagittarius

Wed, 10 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 14 Dec ♄ Chiron stations Direct

Chiron stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Tue, 16 Dec ♂ Mars enters ♓ Pisces

Mars in *Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

Wed, 17 Dec ♃ Jupiter enters ♏ Scorpio

Jupiter moving into *Scorpio* tends to make people **dig deeper** into conversations and decisions instead of skimming the surface. At work and in relationships, this shift often brings **more honesty** about money, power, and what people actually want from each other. Over the next year, you'll likely notice **increased intensity** in how seriously people take their commitments and investigations—whether that's a business partnership, a financial overhaul, or just asking harder questions before saying yes to things.

Sun, 21 Dec ☿ Uranus ☌ Conjunction ☿ natal Uranus

Mon, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Tue, 23 Dec ☾ Full Moon in Gemini

Sun, 28 Dec ♀ Venus enters ♑ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Tue, 30 Dec ♇ Pluto stations Retrograde

♇ Pluto ✕ Sextile ♃ natal Jupiter

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.
