KEY TRANSIT FACTORS

♁ Chiron ☐ Square ♃ natal Mercury · peak 1 Dec ★

Right now you're second-guessing what you say before you say it, which makes conversations feel awkward and slow. You notice **doubts creeping in about your own knowledge** — facts you were sure about suddenly feel uncertain, and you hesitate to speak up. This friction between thinking and speaking will ease in a few weeks, but for now it's worth recognizing that this self-doubt is temporary, not a real change in how smart you actually are.

♆ Neptune ☿ Quincunx ☉ natal Sun · peak 21 Dec

Over the coming weeks, you may feel **slightly out of step with your usual sense of direction**, as if the goals you normally pursue don't quite fit who you are right now. Your confidence in what you want gets fuzzy, and you might second-guess decisions you'd normally make without hesitation. This mismatch between who you think you should be and what actually matters to you will probably clear up once this *Neptune* influence passes.

♃ Jupiter ∟ Semi sextile ♊ natal NNode · peak 26 Dec

Over the coming weeks, you find yourself **naturally gravitating toward people and situations that align with what you actually want**. Small opportunities appear that feel less forced than usual, and you notice you say yes to invitations or ideas without overthinking them. This isn't luck so much as you being more willing to take a chance on something that feels right, even if you can't fully explain why.

♄ Saturn △ Trine ♊ natal NNode · peak 16 Dec

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

♃ Jupiter ☍ Opposition ♃ natal Mercury · peak 15 Dec

Over the coming weeks, you are likely to **overstate your case and talk past people** instead of actually listening to what they think. Your confidence in your own opinions grows while your ability to hear other viewpoints shrinks, making conversations feel frustrating on both sides. This is a practical problem right now: you may make decisions based on incomplete information or damage working relationships by dismissing input you actually needed.

♃ Jupiter ☐ Square ♁ natal Chiron · peak 14 Dec

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

♊ NNode ☿ Quincunx ♀ natal Venus · peak 1 Dec

Right now you're noticing a mismatch between what you want in relationships and what actually feels right for you. You might say yes to social invitations or romantic gestures while feeling oddly disconnected from them at the same time. Over the coming weeks, pay attention to what your gut is telling you about your connections, because your head and heart aren't quite lined up.

♄ Chiron ♂ Conjunction ♄ natal Chiron · peak 1 Dec

Over the coming weeks, you become more aware of the ways you actually help other people, and it feels less forced than usual. You notice yourself giving advice or support without needing recognition, and this **practical generosity** comes naturally right now. At the moment, whatever wound or struggle you've carried tends to feel less raw, which makes it easier to be useful to someone else.

♃ Lilith ♂ Conjunction ♃ natal Neptune · peak 1 Dec

These days you're more drawn to people and situations that feel emotionally intense or slightly forbidden, and you may **ignore practical warning signs** because the pull feels meaningful to you. Your usual ability to see through manipulation or deception gets softer right now, so you're more likely to believe what you want to believe about someone or something. Over the coming weeks, check your choices against what you actually know to be true, not just what feels compelling in the moment.

♅ Uranus △ Trine ♂ natal Mars · peak 1 Dec

These days you feel **willing to try things in new ways** without the usual hesitation that normally holds you back. Your practical actions become more flexible, and you find yourself breaking your own rules in ways that actually work out well. Over the coming weeks this confidence gives you the freedom to pursue goals that once seemed too risky or unconventional.

♊ NNode ∟ Semi sextile ♊ natal NNode · peak 31 Dec

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

♇ Pluto ♂ Conjunction ♃ natal Lilith · peak 1 Dec

Right now you are examining parts of yourself that you normally keep hidden or suppress, and this feels both uncomfortable and oddly necessary. You may find yourself **pushing back against rules or expectations** that never actually fit you, whether at work or in relationships. Over the coming weeks, this restlessness will likely push you to make a practical change in how you present yourself or what you actually allow yourself to want.

♄ Saturn ∟ Semi sextile ♃ natal Mercury · peak 31 Dec

Your thinking becomes more **organized and deliberate** right now, which makes it easier to plan projects and break down complicated tasks into manageable steps. You find yourself naturally wanting to double-check your work and verify details before moving forward, and this careful approach pays off in fewer mistakes. This steadier mental discipline helps you communicate with more precision, so people understand exactly what you mean without confusion.

♃ Jupiter □ Square ♅ natal Uranus · peak 1 Dec

You're feeling restless and impatient with your usual routines, and you're more likely to make sudden decisions without thinking through the consequences. **Your need for freedom is clashing with your responsibilities**, making it hard to stick to commitments or plans. Over the coming weeks, you may experience practical disruptions—cancelled plans, unexpected changes, or your own impulsive actions—that force you to rebuild some stability afterward.

♇ Pluto □ Square ☉ natal Sun · peak 31 Dec

You're feeling **unusually defensive about who you are** and what you believe in right now. People seem to be challenging your authority or questioning your choices in ways that sting more than usual, and you find yourself either backing down or pushing back harder than makes sense. Over the coming weeks, you'll need to watch whether you're holding your ground for real reasons or just because someone rattled you.

♃ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

♀ Lilith ☌ Conjunction ♃ natal Neptune

♅ Uranus △ Trine ♂ natal Mars

☌ Chiron □ Square ♃ natal Mercury

Wed, 6 Dec ♃ Mercury stations Direct

New Moon in Sagittarius

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Mon, 11 Dec ☌ Chiron ☌ Conjunction ☌ natal Chiron

Wed, 13 Dec ♃ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Thu, 14 Dec ♃ Jupiter □ Square ☌ natal Chiron

Fri, 15 Dec ♃ Jupiter ♂ Opposition ♃ natal Mercury

Sat, 16 Dec ♄ Saturn △ Trine ♁ natal NNode

Tue, 19 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Wed, 20 Dec Full Moon in Cancer

Fri, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings

and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sun, 24 Dec ☿ Chiron stations Direct

Chiron stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Mon, 25 Dec ♄ Saturn △ Trine ♃ natal NNode

Sun, 31 Dec ♂ Mars enters ♏ Sagittarius

Mars entering *Sagittarius* brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.
