♁ Lilith	in	♎ Libra	3°03'14"	III

## KEY TRANSIT FACTORS

### ♄ Saturn ☉ Opposition ♀ natal Venus · peak 12 Feb

Right now you feel less interested in socializing and more critical of the people close to you, which can make relationships feel colder or more distant than usual. You may notice yourself **pulling back from affection** or feeling reluctant to spend money on things that normally bring you pleasure. These days the cost of maintaining connections feels heavier, and you might question whether certain friendships or partnerships are actually worth the effort.

### ♁ NNode ☌ Conjunction ♄ natal Chiron · peak 22 Feb

Over the coming weeks, you become **more aware of how you respond when others are struggling or hurt**. You notice yourself wanting to help in ways that feel natural to you, and people actually seem to listen when you do. This isn't about fixing anyone—it's about recognizing where your practical support lands best and feels most genuine.

### ♁ NNode ☐ Square ☿ natal Mercury · peak 15 Feb

Right now you're running into friction between what you want to say and what actually comes out, leaving conversations awkward or misunderstood. **You second-guess yourself constantly**, rewriting messages in your head and struggling to explain your real thoughts clearly to others. Over the coming weeks, this mismatch between your thinking and your ability to communicate will force you to slow down and pay closer attention to how you're actually being heard.

### ♃ Jupiter ☊ Trine ♃ natal Jupiter · peak 20 Feb

While this lasts, you feel naturally **confident in your own judgment**, and opportunities tend to show up without you forcing them. People respond well to you right now because you're genuinely relaxed about where things are headed. Over the coming weeks, trust your instincts about what's worth your time—your sense of what matters is especially clear.

### ♃ Jupiter ☉ Opposition ♇ natal Pluto · peak 18 Feb

You're running into situations where your confidence in yourself collides head-on with other people's resistance or control attempts. **You're more likely to push back against anyone who feels threatening**, which can escalate conflicts that might have stayed small. While this lasts, you'll notice that your usual way of managing power dynamics stops working, and you may feel forced to choose between backing down or fighting harder than you normally would.

### ♇ Pluto ☊ Semi sextile ♅ natal Uranus · peak 28 Feb

These days you're picking up on small ways you could shake up your routines without upending your whole life, and you're **moving on these ideas gently instead of fighting yourself**. A shift you've been resisting for months suddenly feels possible because you see how to do it step by step rather than all at once. Over the coming weeks, you'll likely surprise yourself with how much you can actually change when you stop waiting for permission.

### ♄ Chiron ☊ Trine ♁ natal NNode · peak 1 Feb

Over the coming weeks, you find it easier to **talk openly about your past struggles** without feeling ashamed or stuck. People around you respond well because you're speaking from real experience rather than theory. This practical honesty about what you've learned from difficulty actually helps others feel less alone in their own problems.

### ♄ Saturn \* Sextile ♃ natal Mars · peak 28 Feb

Right now you find it easier to **follow through on what you start**, because your usual impatience is balanced by a real willingness to do things properly. Your practical side gets stronger while *Saturn* supports your *Mars*, so you can push hard without burning out or making careless mistakes. Over the coming weeks you'll likely notice you accomplish more because you're working smarter instead of just harder.

### ♆ Neptune △ Trine ☾ natal Moon · peak 28 Feb

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

### ♅ Uranus □ Square ♇ natal Pluto · peak 28 Feb

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

### ♆ Neptune ♃ Opposition ☉ natal Sun · peak 1 Feb

Right now you are **doubting your own judgment** and struggling to see yourself clearly. You may act in ways that confuse people or that you later regret because your sense of who you are has become fuzzy. This confusion will pass, but while it lasts you need to slow down on big decisions and check your choices with someone you trust.

### ♃ Jupiter △ Trine ♆ natal Neptune · peak 28 Feb

Over the coming weeks, you find it easier to **believe in your own ideas** without needing constant proof or reassurance. Your imagination feels more practical right now, and you can turn vague daydreams into actual plans that other people take seriously. This is a good time to pitch something creative or intuitive that you've been sitting on, because people around you are more receptive to what you're offering.

### ♅ Uranus ∟ Semi sextile ♃ natal Jupiter · peak 28 Feb

These days you're picking up on new possibilities that others around you haven't noticed yet, and your **natural optimism makes you willing to try them**. A small opportunity in work or learning might appear suddenly, and you'll have the confidence to act on it without overthinking the risks. Over the coming weeks, this forward momentum helps you feel less stuck in old routines and more curious about what comes next.

### ♇ Pluto \* Sextile ☾ natal Moon · peak 28 Feb

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

### ♃ Jupiter \* Sextile ♄ natal Saturn · peak 28 Feb

Right now you find it easier to **follow through on commitments** without feeling weighed down by them. *Jupiter* is supporting your *Saturn*, which means you can take on real responsibility and actually enjoy the structure instead of resenting it. Over the coming weeks, you'll notice that planning ahead and sticking to deadlines feels less like a burden and more like something that works in your favor.

## PROGRESSED MOON

---

- Progressed Moon in ♈ Aries 3.8° H9
- Progressed Moon ♃ Opposition ♇ natal Lilith

## LUNATIONS

---

- Full Moon · Friday, 13 Feb

### in ♌ Leo

recognition, drama, creative culmination

### in H2 — Resources & Values

A financial matter or question of personal value is reaching its peak. Something involving **money, possessions, or what you're truly worth** is being illuminated — this might mean a payment arriving, a resource reaching its limit, or a clearer picture of your actual financial situation. What you've built (or failed to build) around security and income becomes visible now. This is a moment for clarity, not new spending — use what this full moon reveals to adjust your approach.

● New Moon · Saturday, 28 Feb

## in ♋ Pisces

intuitive reset, release, spiritual renewal

## in H8 — Transformation

A new cycle around **deep transformation, shared resources, and what lies beneath the surface** is beginning. Financial matters involving joint money, inheritance, or debt may need fresh attention. On a deeper level, this lunation invites you to release something that no longer serves you and commit to genuine change. What you begin here has the potential to fundamentally alter how you use power, handle intimacy, and relate to loss and renewal.

### KEY DATES

---

**Sun, 1 Feb** † Chiron △ Trine ♁ natal NNode

♆ Neptune ♂ Opposition ☉ natal Sun

---

**Wed, 4 Feb** ♃ Mercury enters ♋ Pisces

*Mercury in Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

---

**Thu, 5 Feb** ♀ Venus enters ♑ Capricorn

*Venus in Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

---

**Mon, 9 Feb** † Chiron △ Trine ♁ natal NNode

---

**Thu, 12 Feb** ♇ Pluto stations Retrograde

♄ Saturn ♂ Opposition ♀ natal Venus

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.

---

**Fri, 13 Feb** Full Moon in Leo

---

**Sun, 15 Feb** ♁ NNode □ Square ♃ natal Mercury

♁ NNode ♂ Conjunction † natal Chiron

---

**Wed, 18 Feb** ♃ Jupiter ♂ Opposition ♇ natal Pluto

---

**Thu, 19 Feb** ☉ Sun enters ♋ Pisces

♃ Mercury stations Retrograde

*The Sun* moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

---

**Fri, 20 Feb** ♃ Jupiter △ Trine ♃ natal Jupiter

---

**Sat, 21 Feb** ♂ Mars enters ♉ Taurus

*Mars in Taurus* slows down your usual pace, and you'll notice yourself **taking longer to make decisions** at work or in projects — this isn't laziness, it's just how this transit works. In relationships and money matters, people often become **more stubborn about what they want**, and arguments tend to drag on instead of resolving quickly because nobody wants to budge. Most people find their **physical energy shifts toward steady effort** rather than bursts of speed, so this is actually a good time to build habits, save money, or work on something that needs patience rather than fast action.

---

**Sun, 22 Feb** † Chiron stations Direct

♁ NNode ♂ Conjunction † natal Chiron

*Chiron* stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Mon, 23 Feb ♄ Saturn ♂ Opposition ♀ natal Venus

Sat, 28 Feb New Moon in Pisces

♄ Saturn ✕ Sextile ♂ natal Mars

♆ Neptune △ Trine ☾ natal Moon

♅ Uranus □ Square ♇ natal Pluto
