♁ Lilith	in	♎ Libra	3°03'14"	III

**KEY TRANSIT FACTORS**

♅ Uranus ☐ Square ♇ natal Pluto · peak 22 Dec

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

♅ Uranus ∠ Semi sextile ♃ natal Jupiter · peak 31 Dec

These days you're picking up on new possibilities that others around you haven't noticed yet, and your **natural optimism makes you willing to try them**. A small opportunity in work or learning might appear suddenly, and you'll have the confidence to act on it without overthinking the risks. Over the coming weeks, this forward momentum helps you feel less stuck in old routines and more curious about what comes next.

♁ NNode △ Trine ♃ natal Jupiter · peak 22 Dec

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

♁ Chiron ☐ Square ♇ natal Pluto · peak 1 Dec

You're running into situations right now where your usual ways of handling power and control stop working, and that's frustrating. You may notice yourself **pushing harder against resistance instead of stepping back**, which tends to make things worse before anything improves. While this lasts, the practical challenge is learning to let go of outcomes you can't actually control, even though every part of you wants to fight for them.

♁ NNode ☉ Opposition ♇ natal Pluto · peak 31 Dec

Right now you are **resisting changes that feel necessary but threatening**. You want to stay in control of situations that are slipping away, and that grip is making you anxious and irritable with people around you. Over the coming weeks, the more you push back against what needs to shift, the more friction you will create in your relationships and work.

♃ Jupiter \* Sextile ♀ natal Venus · peak 15 Dec

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

#### ♆ Neptune △ Trine ♁ natal Moon · peak 31 Dec

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

#### ♄ Chiron ♁ Quincunx ♃ natal Jupiter · peak 1 Dec

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

#### ♃ Jupiter \* Sextile ♂ natal Mars · peak 31 Dec

Over the coming weeks, you'll notice yourself **moving forward on things you've been putting off** without forcing anything. Your natural confidence is higher right now, so you take action more quickly and people respond better to what you're trying to do. This is a practical window where effort actually produces results, so starting a project or pushing a goal forward will feel less exhausting than usual.

#### ♆ Neptune ♂ Opposition ☉ natal Sun · peak 1 Dec

Right now you are **doubting your own judgment** and struggling to see yourself clearly. You may act in ways that confuse people or that you later regret because your sense of who you are has become fuzzy. This confusion will pass, but while it lasts you need to slow down on big decisions and check your choices with someone you trust.

#### ♄ Saturn \* Sextile ♂ natal Mars · peak 1 Dec

Right now you find it easier to **follow through on what you start**, because your usual impatience is balanced by a real willingness to do things properly. Your practical side gets stronger while *Saturn* supports your *Mars*, so you can push hard without burning out or making careless mistakes. Over the coming weeks you'll likely notice you accomplish more because you're working smarter instead of just harder.

#### ♇ Pluto ∟ Semi sextile ♅ natal Uranus · peak 1 Dec

These days you're picking up on small ways you could shake up your routines without upending your whole life, and you're **moving on these ideas gently instead of fighting yourself**. A shift you've been resisting for months suddenly feels possible because you see how to do it step by step rather than all at once. Over the coming weeks, you'll likely surprise yourself with how much you can actually change when you stop waiting for permission.

#### ♄ Saturn □ Square ♇ natal Pluto · peak 31 Dec

You're likely to feel **boxed in by rules or limits that feel suffocating**, especially where you normally have control. *Saturn* is forcing you to face situations where your usual tactics don't work anymore, and that frustration can build into real anger. These days you'll benefit from finding practical outlets for that pressure instead of letting it mount, because bottling it up will only make you feel more trapped.

#### ♇ Pluto ♁ Quincunx ♄ natal Chiron · peak 31 Dec

You're noticing that old defensive patterns are not working the way they used to, and this discomfort is forcing you to pay attention to how you protect yourself emotionally. **You feel pressure to change something**, but the exact solution isn't clear yet, so you're stuck between what you know and what might work better. Over the coming weeks, this awkward feeling is actually pointing you toward a more honest way of handling your own pain and the pain you see in others.

#### ♆ Neptune □ Square ♅ natal Uranus · peak 31 Dec

You feel torn between wanting to break free from something and being unable to see clearly what needs to change. Your impulse to rebel clashes with confusion about which direction actually makes sense, leaving you **restless and indecisive**. Over the coming weeks, small frustrations can pile up as you second-guess decisions you thought were final.

#### ♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

#### PROGRESSED MOON

---

○ Progressed Moon in ♈ Aries 14.7° H9

○ Progressed Moon □ Square ♄ natal Mercury

#### LUNATIONS

---

○ Full Moon · Friday, 4 Dec

**in ♊ Gemini**

information peak, scattered focus, mental overload

**in H11 — Community & Goals**

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

● New Moon · Monday, 21 Dec

**in ♐ Sagittarius**

new beliefs, expansion, broader horizons

**in H6 — Health & Service**

Your daily routines and health habits are ready for a reset. This lunation opens a new cycle around **work, service, and physical wellbeing** — an ideal moment to start a new diet, organize your work environment, or establish habits that will support your energy long-term. Small, consistent changes begun now will compound into significant improvements. Pay attention to your body's signals and don't dismiss minor issues before they develop further.

**KEY DATES**

**Tue, 1 Dec** † Chiron □ Square ♃ natal Pluto

♆ Neptune ♂ Opposition ☉ natal Sun

♄ Saturn \* Sextile ♂ natal Mars

**Fri, 4 Dec** ♀ Mercury enters ♐ Sagittarius

Full Moon in Gemini

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Sun, 6 Dec** ♃ Jupiter \* Sextile ♀ natal Venus

**Sun, 13 Dec** ♃ NNnode △ Trine ♃ natal Jupiter

♄ Uranus □ Square ♃ natal Pluto

**Mon, 14 Dec** † Chiron □ Square ♃ natal Pluto

**Tue, 15 Dec** ♃ Jupiter \* Sextile ♀ natal Venus

**Wed, 16 Dec** ♃ Jupiter stations Direct

*Jupiter* turning **direct again** means opportunities and decisions that felt stuck or unclear over the past months can finally move ahead with real momentum. What becomes **clearer now** is whether plans, applications, or deals are actually going to work — delays lift and you get actual answers instead of waiting. **Growth starts moving** in the areas where *Jupiter* sits in your chart, so watch for openings in money, work, relationships, or learning that were on pause during the retrograde.

**Sun, 20 Dec** ♆ Neptune △ Trine ☾ natal Moon

**Mon, 21 Dec** New Moon in Sagittarius

**Tue, 22 Dec** ☉ Sun enters ♑ Capricorn

♀ Venus enters ♒ Aquarius

♄ Uranus □ Square ♃ natal Pluto

♃ NNnode △ Trine ♃ natal Jupiter

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Wed, 23 Dec** ♀ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Thu, 31 Dec ♃ NNode ♂ Opposition ♃ natal Pluto
