♁ North Node	in	♒ Aquarius	16°31'23"	VII Rx
♁ Lilith	in	♎ Libra	3°03'14"	III

**KEY TRANSIT FACTORS**

♅ Uranus ☌ Quincunx ♄ natal Saturn · peak 21 Dec

Your usual routines and rules suddenly feel awkward or out of sync with what you actually want to do right now. You find yourself **restless with structure** but not quite ready to abandon it, creating a frustrating gap between your need for stability and your urge to break free. Over the coming weeks, small adjustments to how you work or organize your time will feel more useful than making big changes all at once.

♇ Pluto △ Trine ☿ natal Mercury · peak 15 Dec

Your mind becomes unusually clear about problems you've been turning over for months, and you find yourself able to talk about difficult topics without getting defensive. These days you're **cutting through confusion** and saying what you actually mean, which helps other people understand you better. Over the coming weeks this clarity gives you real confidence in decisions you've been postponing.

♆ Neptune □ Square ♅ natal Uranus · peak 20 Dec

You feel torn between wanting to break free from something and being unable to see clearly what needs to change. Your impulse to rebel clashes with confusion about which direction actually makes sense, leaving you **restless and indecisive**. Over the coming weeks, small frustrations can pile up as you second-guess decisions you thought were final.

♅ Uranus ∟ Semi sextile ♆ natal Neptune · peak 16 Dec

Your **imagination becomes more practical** during this period, letting you turn vague ideas into actual plans without losing the creative spark. You find yourself spotting small improvements in routines or systems that others miss, and these tweaks often work better than expected. This is a good time to experiment with new approaches to familiar problems because your intuition and logical mind are working together instead of pulling in different directions.

♁ NNode ☌ Opposition ☾ natal Moon · peak 23 Dec

Over the coming weeks, you feel **pulled between what makes you feel safe and what people around you actually need from you**. Your instinct is to retreat into familiar comfort, but others are asking you to show up differently, and ignoring them creates real tension in your relationships. This clash between your emotional habits and external demands won't resolve quickly, but it will force you to recognize which patterns no longer serve anyone.

♇ Pluto ☌ Quincunx ♄ natal Chiron · peak 5 Dec

You're noticing that old defensive patterns are not working the way they used to, and this discomfort is forcing you to pay attention to how you protect yourself emotionally. **You feel pressure to change something**, but the exact solution isn't clear yet, so you're stuck between what you know and what might work better. Over the coming weeks, this awkward feeling is actually pointing you toward a more honest way of handling your own pain and the pain you see in others.

#### ♃ Jupiter ☍ Opposition ♃ natal Jupiter · peak 20 Dec

You're running into a wall with your own optimism right now, and it's forcing you to face where you've been overcommitting or overestimating what you can handle. Your usual confidence in your ability to expand into new projects or relationships feels **blocked by practical reality**, which makes you restless and frustrated. Over the coming weeks, you'll need to scale back your ambitions and deal with the consequences of promises you made when your expectations were higher.

#### ♃ Jupiter △ Trine ♅ natal Pluto · peak 26 Dec

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

#### ♁ NNode ♁ Quincunx ♅ natal Uranus · peak 1 Dec

Your usual way of handling change feels awkward right now, like your instinct for independence is out of sync with what you actually need to do. You might notice yourself wanting to break free from something at the same time you're supposed to be working within a system or commitment. **The mismatch between your need for freedom and your practical obligations** creates low-level friction that makes decisions harder than they should be, and this typically settles down over the coming weeks.

#### ♄ Chiron ♂ Conjunction ☉ natal Sun · peak 1 Dec

Over the coming weeks you become more aware of the ways you've adapted yourself to please others, and you start to notice which of your natural strengths you've downplayed or hidden. This awareness can feel uncomfortable because it shows you how much energy you've spent managing other people's reactions instead of trusting your own judgment. The practical shift is that you'll catch yourself mid-compromise and feel genuine resistance, which gives you a real chance to make different choices about how much you bend.

#### ♄ Saturn ☍ Opposition ☉ natal Sun · peak 31 Dec

Right now you feel **worn down by demands** on your time and energy, and others seem to expect more from you than feels realistic. You notice yourself saying no more often, or feeling resentful when you do say yes, because your reserves are genuinely low. These weeks will test whether you can be honest about your limits instead of pushing through until you break.

#### ♆ Neptune △ Trine ♀ natal Moon · peak 1 Dec

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

#### ♃ Jupiter ☍ Opposition ♆ natal Neptune · peak 1 Dec

Right now you are **more likely to overcommit or make promises you cannot keep**, because your sense of what is realistic has become fuzzy. You may find yourself agreeing to things at work or in relationships without thinking through the practical details, then feel frustrated when reality does not match what you imagined. Over the coming weeks, this mismatch between your optimism and what actually needs to happen will force you to get clearer about what you actually want instead of what sounds good in the moment.

#### ♄ Saturn ♁ Quincunx ♄ natal Saturn · peak 1 Dec

These days you notice your usual routines feel slightly off balance, as if the structure you rely on no longer fits quite right. You might find yourself **adjusting your approach to work or discipline** more often than usual, catching small inefficiencies you'd overlooked before. This discomfort is temporary and often points to practical changes worth making once this period passes.

#### ♃ Jupiter ♂ Conjunction ♄ natal Saturn · peak 1 Dec

Over the coming weeks, you're likely to feel **more serious about your plans and less willing to skip steps**. You'll probably want to finish what you've started before moving on to something new, and you may feel frustrated if others rush you or if deadlines keep shifting. This is a practical time to consolidate what you've built and to test whether your ambitions actually work in the real world.

#### ♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

#### PROGRESSED MOON

- Progressed Moon in ♈ Aries 27.9° H9
- Progressed Moon ♀ Quincunx ♃ natal Jupiter
- Progressed Moon ♀ Quincunx ♅ natal Pluto

## LUNATIONS

---

● New Moon · Friday, 9 Dec

### in ♐ Sagittarius

new beliefs, expansion, broader horizons

#### in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

---

○ Full Moon · Thursday, 22 Dec

### in ♊ Gemini

information peak, scattered focus, mental overload

#### in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

---

## KEY DATES

---

**Thu, 1 Dec** ♃ Jupiter enters ♉ Taurus

♄ Chiron ☌ Conjunction ☉ natal Sun

♆ Neptune △ Trine ☽ natal Moon

*Jupiter* in *Taurus* makes people **slower to decide** but more **confident once they commit** to money moves, property deals, or long-term plans. At work and in relationships, you'll notice a shift toward **wanting real results** rather than quick wins — people spend time building something solid instead of jumping between options. Over time, those who **take deliberate action** on financial goals or practical projects during this transit tend to see actual gains, though the pace feels measured compared to what *Jupiter* usually delivers.

**Sat, 3 Dec** ♂ Uranus enters ♑ Capricorn

*Uranus* in *Capricorn* makes people **rethink how they handle rules and structure** — you might suddenly want to break old routines at work or change long-standing systems that no longer make sense. In relationships and careers, this shift brings **unexpected disruptions to established patterns**, with people noticing sudden job changes, reorganizations, or the need to learn new technical skills just to keep up. The pattern is that **stability gets questioned**, and those who adapt by building more flexible systems rather than clinging to "how we've always done it" tend to move ahead more easily.

**Fri, 9 Dec** New Moon in Sagittarius

**Sun, 11 Dec** ♆ Neptune □ Square ♂ natal Uranus

♁ NNode ☌ Opposition ☽ natal Moon

**Mon, 12 Dec** ♄ Chiron ☌ Conjunction ☉ natal Sun

**Wed, 14 Dec** ☿ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Thu, 15 Dec** ♇ Pluto △ Trine ♃ natal Mercury

**Sun, 18 Dec** ♀ Venus enters ♐ Sagittarius

♃ Jupiter △ Trine ♇ natal Pluto

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Tue, 20 Dec** ♆ Neptune □ Square ♂ natal Uranus

♃ Jupiter ☌ Opposition ♃ natal Jupiter

**Thu, 22 Dec** ☉ Sun enters ♑ Capricorn

Full Moon in Gemini

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Fri, 23 Dec** ♄ NNode ♂ Opposition ♃ natal Moon

**Mon, 26 Dec** ♃ Jupiter △ Trine ♅ natal Pluto

♅ Pluto △ Trine ♃ natal Mercury

**Sat, 31 Dec** ♄ Saturn ♂ Opposition ☉ natal Sun
