♁ North Node	in	♒ Aquarius	16°31'23"	VII Rx
♁ Lilith	in	♎ Libra	3°03'14"	III

#### KEY TRANSIT FACTORS

##### ♄ Chiron ♂ Conjunction ☾ natal Moon · peak 26 Jan

Right now you're more aware of what hurts you emotionally, and you notice old patterns in how you react when you feel vulnerable. This heightened sensitivity means you can see what you actually need from other people instead of just pushing feelings down. Over the coming weeks, this self-awareness gives you a chance to **handle emotional wounds more honestly** instead of letting them pile up.

##### ♇ Pluto \* Sextile ♁ natal Pluto · peak 1 Jan

You find it easier right now to **let go of situations that no longer serve you** without drama or regret. *Pluto* transiting in *sextile* to your natal *Pluto* gives you psychological permission to close chapters cleanly and move forward. Over the coming weeks you may notice you're making practical decisions about what stays and what goes with unusual clarity and calm.

##### ♇ Pluto ♂ Conjunction ♃ natal Jupiter · peak 22 Jan

You're experiencing a **pull toward bigger goals and riskier decisions** right now, as if your usual caution has lifted. You might pursue opportunities or make commitments that feel exciting but also require real resources or long-term responsibility. Over the coming weeks, watch whether you're expanding into something genuinely valuable or simply overextending yourself because the moment feels urgent.

##### ♄ Saturn ☐ Square ♃ natal Jupiter · peak 7 Jan

Right now you are running into real limits on plans you thought were solid, and it feels frustrating because you expected things to move faster. Your natural **optimism about what's possible hits a wall**, and you have to sit with delays, rejections, or the plain fact that something costs more than you budgeted. Over the coming weeks, this friction between your hopes and actual circumstances forces you to get honest about what you can actually do, which is uncomfortable but necessary.

##### ♁ NNode ♂ Conjunction ♆ natal Neptune · peak 6 Jan

These days you feel pulled toward people and situations that seem meaningful but are hard to pin down. You may find yourself **blending your own needs into other people's visions** without noticing it happening. While this lasts, pay attention to whether you are actually helping or just absorbing someone else's confusion as your own.

##### ♆ Neptune ∟ Semi sextile ♂ natal Mars · peak 12 Jan

Right now your usual drive to act is softened by a gentler, more intuitive approach to what you want. You find yourself **listening to your gut before charging ahead**, which actually helps you avoid wasted effort and see better options. Over the coming weeks, this combination of *Neptune* and *Mars* lets you pursue your goals with less force and more imagination, making your efforts feel easier even when you're working hard.

### ♄ Saturn ☌ Quincunx ♃ natal Pluto · peak 1 Jan

You feel stuck between wanting to control a situation and knowing you cannot, which makes you irritable and restless in ways that are hard to explain to others. **You push harder on things that won't budge**, and this friction shows up most in relationships or projects where someone else has real power. Over the coming weeks, the practical way forward is to accept what you genuinely cannot change and redirect your effort toward the small moves that are actually within your reach.

### ♁ NNode ☌ Opposition ♄ natal Saturn · peak 1 Jan

Right now you feel pulled between wanting to break free from old rules and fearing what happens if you do. Your instinct is to rebel against responsibilities that used to feel safe, but **anxiety about losing control or stability** keeps you stuck. Over the coming weeks, you'll notice yourself saying yes to obligations you actually want to refuse, then resenting people for holding you to them.

### ♃ Jupiter ☌ Quincunx ♄ natal Chiron · peak 31 Jan

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

### ♄ Chiron ☌ Semi sextile ♃ natal Uranus · peak 1 Jan

These days you're finding it easier to **spot practical ways to fix things that have frustrated you for a while**. Your usual habits and routines suddenly feel less locked in, and you notice small adjustments can make a real difference in how you move through your day. Over the coming weeks, this period supports you in trying new approaches without the usual anxiety about whether you're doing it right.

### ♃ Jupiter ☌ Semi sextile ♃ natal Uranus · peak 1 Jan

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

### ♄ Saturn ☌ Square ♃ natal Neptune · peak 31 Jan

Right now you are running into the practical limits of your plans, and it feels frustrating because you can't see exactly where things are breaking down. You become **more critical and doubtful** than usual, second-guessing decisions you made weeks ago and struggling to trust your own judgment. Over the coming weeks, this clash between *Saturn's* demand for clear results and *Neptune's* fog will force you to sort out what is actually possible from what you only hoped might work.

### ♃ Jupiter ☌ Trine ♃ natal Mercury · peak 31 Jan

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

### ♃ Uranus ☌ Semi sextile ♃ natal Mars · peak 1 Jan

You're noticing small windows of **creative restlessness** that actually help you break old habits without major disruption. *Uranus* is gently nudging your *Mars* energy sideways, so instead of forcing big changes, you find yourself naturally trying different approaches to familiar problems. Over the coming weeks, you'll discover that your usual way of doing things has room for improvement, and you're willing to experiment in ways that feel refreshing rather than risky.

### ♄ Saturn ☌ Square ♄ natal Saturn · peak 31 Jan

You feel **blocked and frustrated** by rules and limits that suddenly feel too tight, whether at work or in your own routines. Everything takes longer than it should right now, and you are likely to doubt whether you have what it takes to reach your goals. These feelings are real but temporary, and pushing harder against the resistance usually backfires, so your best move is to slow down and rebuild your structure piece by piece.

## PROGRESSED MOON

---

○ Progressed Moon in ♋ Cancer 4.9° H12

○ Progressed Moon ☌ Conjunction ☉ natal Sun

## LUNATIONS

---

● New Moon · Wednesday, 12 Jan

in ♄ Capricorn

long-term goals, ambition, structural reset

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

○ Full Moon · Thursday, 27 Jan

in ♌ Leo

recognition, drama, creative culmination

in H1 — Self & Identity

Something significant about your identity and self-presentation is coming to a head. A situation that has been developing is now reaching a **turning point involving your confidence, independence, or personal direction**. Others see you clearly now — which can bring recognition but also reveals whatever you've been projecting unconsciously. Decisions made at this peak about how you want to show up in the world will carry lasting weight. Your personal needs deserve to come first.

#### KEY DATES

**Sat, 1 Jan** ♅ Pluto ✕ Sextile ♅ natal Pluto

♁ NNnode ♂ Opposition ♄ natal Saturn

**Thu, 6 Jan** ♁ NNnode ♂ Conjunction ♃ natal Neptune

**Fri, 7 Jan** ♄ Saturn □ Square ♃ natal Jupiter

**Mon, 10 Jan** ♁ NNnode ♂ Opposition ♄ natal Saturn

**Wed, 12 Jan** New Moon in Capricorn

**Fri, 14 Jan** ☿ Mercury enters ♒ Aquarius

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

**Sun, 16 Jan** ♄ Chiron ♂ Conjunction ☾ natal Moon

**Thu, 20 Jan** ☉ Sun enters ♒ Aquarius

♀ Venus enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sat, 22 Jan** ♁ NNnode enters ♏ Scorpio

♅ Pluto ♂ Conjunction ♃ natal Jupiter

*North Node* in *Scorpio* pushes people toward **deeper honesty** in relationships and work, making surface-level small talk feel hollow and triggering a need to deal with actual problems instead of avoiding them. When difficult topics come up—money, power dynamics, past hurts—most people find **staying quiet** harder and speaking up more natural, even if conversations get uncomfortable. At work and home, this pattern rewards those who **dig into real issues** rather than pretend everything is fine, though the learning curve involves some awkward moments before people get better at saying what they actually mean.

**Wed, 26 Jan** ♄ Chiron ♂ Conjunction ☾ natal Moon

**Thu, 27 Jan** Full Moon in Leo

**Fri, 28 Jan** ♂ Mars enters ♒ Aquarius

*Mars* in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

**Sat, 29 Jan** ♄ Saturn enters ♓ Pisces

*Saturn* in *Pisces* brings **stricter limits** to areas where things used to feel open-ended—people often notice they can't rely on vague plans or wishful thinking anymore, and work or personal projects suddenly require **clear structure** and solid deadlines. In relationships and at work, boundaries become **harder to ignore**, meaning difficult conversations that got put off finally need to happen, and people tend to feel more **responsible** for their own mess rather than hoping it sorts itself out. Most people find themselves **editing down** what they actually commit to—saying no more often, showing up more consistently to fewer things, and noticing that **confusion costs them** in practical ways they can't avoid.

**Mon, 31 Jan** ♅ Pluto ♂ Conjunction ♃ natal Jupiter

♄ Saturn □ Square ♃ natal Neptune

♃ Jupiter △ Trine ♃ natal Mercury

♄ Saturn □ Square ♄ natal Saturn
