KEY TRANSIT FACTORS

♂ Mars △ Trine ♀ natal Venus · Monday 5 Dec ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

♅ Uranus ★ Sextile ♂ natal Mars · Monday 5 Dec

You're finding it easier to take action on ideas that normally feel too risky or unconventional, and this **experimental confidence** is working in your favour right now. Your usual drive to get things done pairs well with a sudden willingness to try new approaches, so you can actually complete projects you've been sitting on. Over the coming weeks, people notice you're more direct and inventive about solving problems instead of relying on the same old methods.

♆ Neptune qx Quincunx ♁ natal Uranus · Sunday 11 Dec

Over the coming weeks, you find yourself **second-guessing decisions you normally make without hesitation**, especially about independence or unconventional plans. Your instinct to break free from routine is still there, but doubt keeps creeping in about whether the timing or approach actually makes sense. This confusion fades once the transit passes and your clearer judgment returns.

♁ Chiron ∟ Semi sextile ♂ natal Mars · Sunday 11 Dec

These days you're finding it easier to **speak up about what you actually need** instead of pushing through on your own. You're noticing that asking for help or setting a boundary doesn't drain you the way it used to. This quieter confidence is showing up in conversations at work and in your relationships, making things feel less exhausting overall.

♇ Pluto ∟ Semi sextile ♋ natal NNode · Sunday 11 Dec

Over the coming weeks, you find yourself **naturally drawn toward people and situations that feel genuinely right for you**, without needing to overthink the decision. Small obstacles that usually frustrate you seem easier to work around, and you notice you're less defensive when someone challenges your choices. This is a good time to say yes to invitations or opportunities that align with what you actually want, because your instincts are working quietly in your favor.

♄ Saturn ♂ Opposition ♀ natal Venus · Sunday 11 Dec

Right now you feel less interested in socializing and more critical of the people close to you, which can make relationships feel colder or more distant than usual. You may notice yourself **pulling back from affection** or feeling reluctant to spend money on things that normally bring you pleasure. These days the cost of maintaining connections feels heavier, and you might question whether certain friendships or partnerships are actually worth the effort.

♋ NNode ♂ Conjunction ♃ natal Moon · Monday 5 Dec

These days you are drawn to people and situations that feel more emotionally familiar or aligned with who you want to become. You may find yourself **seeking out relationships or groups** that reflect your values more closely, or noticing which connections actually support you. This pull toward authenticity in your social life is likely to last several weeks as the *North Node* activates your *Moon*.

♃ Jupiter △ Trine ♀ natal Venus · Sunday 11 Dec

Right now you're naturally more **generous and open-handed** with people around you, and they notice. You find it easier to say yes to invitations, spend money on things that bring you joy, and let others see you enjoying yourself without guilt. This practical shift in how you move through social situations tends to bring more warmth back to you from the people in your life over these coming weeks.

♃ Jupiter △ Trine ♋ natal NNode · Monday 5 Dec

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you instead of second-guessing yourself. **You pursue what matters to you with more confidence**, whether that is a new skill, a social group, or a professional direction. These doors open partly because you are actually asking for what you want, and people tend to respond well to that clarity.

♆ Neptune ♂ Opposition ♃ natal Moon · Monday 5 Dec

Your **emotional reactions feel unreliable right now**, and you cannot trust your own mood to stay the same from one hour to the next. You might withdraw from people you normally rely on, or say things you do not mean because you are confused about what you actually feel underneath. Over the coming weeks, this fog makes it hard to make decisions about your personal life, and you may end up making promises you cannot keep.
