KEY TRANSIT FACTORS

♃ Jupiter ☐ Square ☾ natal Moon

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

♃ Jupiter ☐ Square ♅ natal Uranus

You're feeling restless and impatient with your usual routines, and you're more likely to make sudden decisions without thinking through the consequences. **Your need for freedom is clashing with your responsibilities**, making it hard to stick to commitments or plans. Over the coming weeks, you may experience practical disruptions—cancelled plans, unexpected changes, or your own impulsive actions—that force you to rebuild some stability afterward.

♂ Mars * Sextile ♀ natal Venus

Right now you find it easier to **take initiative in relationships and express what you want** without overthinking or holding back. You feel more confident approaching people socially, whether that means starting conversations, making plans, or letting someone know you are interested in them. This practical confidence tends to smooth things out because you are direct without being aggressive, and people respond well to your straightforward warmth.

♀ Venus qx Quincunx ♅ natal Uranus

These days you may feel **restless in your close relationships**, wanting something different but unsure what that looks like. You might push for more independence or suddenly lose interest in routines that felt comfortable before. This awkward pull between wanting connection and needing freedom will likely fade as *Venus* moves on, but while it lasts you'll notice yourself acting unpredictably in social situations.

☉ Sun ☉ Opposition ♀ natal Venus

Right now you are more critical of the people close to you and harder to please in your relationships. You might push away someone who genuinely cares about you because you're noticing all their flaws instead of their good qualities. This **temporary harshness** in how you judge others can create distance that takes real effort to repair once this period passes.

☉ Sun * Sextile ☽ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun Δ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

› Moon ☾ Opposition ♂ Mars

Right now your **irritability is running high** and small annoyances feel like major problems. People around you seem to trigger you faster than usual, and you may snap at them or pick fights without meaning to. These days the gap between what you feel and what you're actually able to do creates real frustration, so patience is thin on the ground for everyone.

LUNAR DAY

Moon in ♈ Aries · Day 25 / 30 · Last Quarter

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
