KEY TRANSIT FACTORS

☉ Sun * Sextile ♇ natal Pluto

You find it easier right now to **take charge of situations that usually feel overwhelming**. The transit of the *Sun* sextile your natal *Pluto* gives you practical confidence to handle difficult conversations or make real changes at work without getting stuck in doubt. Over the coming weeks, people respond to your directness and willingness to act, which opens doors you thought were closed.

☿ Mercury qx Quincunx ♃ natal Mercury

Right now your thinking feels slightly out of sync with how you normally process information. You might notice yourself explaining things in a roundabout way or struggling to find the exact word you want, even though you usually communicate clearly. Over the coming weeks, **paying closer attention to how you're being understood** by others will help you adjust your approach and avoid unnecessary confusion.

☉ Sun Δ Trine ♆ natal Neptune

Right now you find it easier to **stay calm when things are uncertain**, and people notice you seem more relaxed and approachable. Your imagination is working well for practical things, so creative problems at work or home feel less stuck than usual. These days your social interactions flow without effort, and you're picking up on what others need without them having to spell it out.

♂ Mars ♂ Opposition ☾ natal Moon

Right now you're more **irritable and quick to react** than usual, especially when someone upsets your plans or questions your feelings. Your emotional responses feel stronger and harder to control, which can create unnecessary conflict with people close to you. These days you need to notice this pattern and step back before you speak, because your impulse to push back or argue is working against you.

☿ Mercury qx Quincunx ☉ natal Sun

Over the coming weeks, you'll notice your usual way of explaining yourself doesn't quite land the way it normally does. You may find yourself **rewording things multiple times** or feeling like people are missing your point even when you think you're being clear. This awkward fit between what you're trying to say and how others receive it will likely frustrate you until the transit passes.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☾ Moon ☒ Quincunx ♂ Mars

These days you might feel **restless without knowing why**, like your emotions want something your body isn't ready to deliver. Small tasks feel either pointless or urgent depending on your mood, and you could snap at someone over something that wouldn't normally bother you. The mismatch between what you feel like doing and what actually needs doing right now creates a practical friction that's hard to sit with.

LUNAR DAY

Moon in ♊ Gemini · Day 25 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Sagittarius

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
