KEY TRANSIT FACTORS

☉ Sun △ Trine ♁ natal Chiron ★

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

♂ Mars ∟ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

☉ Sun △ Trine ☉ natal Sun

You feel **naturally confident** in who you are right now, and people respond to that ease in you. Your goals and what you actually want to do line up better than usual, so decisions feel less exhausting. Over the coming weeks you'll probably notice yourself moving forward on things without having to push so hard.

♃ Jupiter △ Trine ☉ natal Sun

Right now you feel **more confident in yourself** and people around you pick up on that shift. You're more likely to speak up in meetings, take on new projects, or ask for what you want without overthinking it. Over the coming weeks, this is a practical time to pitch ideas, apply for opportunities, or have conversations you've been putting off because your natural self-assurance makes people more receptive to you.

☾ Moon △ Trine ♂ natal Mars

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun ♀ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

› Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.
