KEY TRANSIT FACTORS

♇ Pluto ☿ Quincunx ♆ natal Neptune

Right now you're noticing gaps between what you imagined and what's actually happening in your life. You feel **pulled to question beliefs or habits you've relied on**, even though you can't quite explain why they suddenly feel wrong. Over the coming weeks, expect to feel unsettled about plans or ideas until you adjust them to match reality more closely.

♇ Pluto ☐ Square ♇ natal Pluto

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

♄ Saturn ☿ Quincunx ♃ natal Jupiter

Over the coming weeks, you feel caught between wanting to expand your plans and a nagging sense that something needs tightening up. You find yourself **second-guessing decisions you would normally make quickly**, asking practical questions about timelines and resources that didn't occur to you before. This mismatch between your optimism and your caution isn't comfortable, but it often leads to better-prepared choices once you sit with the discomfort.

♄ Saturn ☿ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that **old wounds or insecurities surface when you face practical limits**—especially around work, deadlines, or things you cannot control. This happens because *Saturn* is making you take a hard look at what you've been managing poorly or avoiding, and it feels uncomfortable. The shift you need is to stop protecting yourself and instead be honest about where you actually need help or training.

☉ Sun * Sextile ♇ natal Pluto

You find it easier right now to **take charge of situations that usually feel overwhelming**. The transit of the *Sun* sextile your natal *Pluto* gives you practical confidence to handle difficult conversations or make real changes at work without getting stuck in doubt. Over the coming weeks, people respond to your directness and willingness to act, which opens doors you thought were closed.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☿ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

☾ Moon △ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

LUNAR DAY

Moon in ♏ Capricorn · Day 12 / 30 · Waxing Gibbous

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
