KEY TRANSIT FACTORS

♄ Saturn △ Trine ♁ natal Chiron ★

Right now you are **more willing to sit with your own pain without needing to fix it immediately**, which lets you actually learn from past hurts instead of just moving past them. This practical acceptance means you can talk about difficult experiences with less defensiveness and help others do the same. Over the coming weeks, what once felt raw or tender becomes something you can work with directly.

☾ Moon □ Square ♂ natal Mars ★

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

♄ Saturn △ Trine ♄ natal Saturn

Right now you find it much easier to **stick with long-term plans without second-guessing yourself**. You have a practical clarity about what needs doing and the patience to do it step by step without getting frustrated. This is a good time to tackle projects that require consistent effort, because your mind naturally settles into a steady rhythm instead of jumping around.

☾ Moon ☉ Opposition ☾ natal Moon

Right now you are likely to feel **emotionally restless and at odds with yourself**, as if your usual ways of managing stress are not working. You may snap at people you care about or withdraw when you normally would reach out, leaving you confused about what you actually want. Over the coming weeks, this mismatch between your instinctive needs and your current emotional state will push you to notice patterns you have been avoiding.

♇ Pluto qx Quincunx ♆ natal Neptune

Right now you're noticing gaps between what you imagined and what's actually happening in your life. You feel **pulled to question beliefs or habits you've relied on**, even though you can't quite explain why they suddenly feel wrong. Over the coming weeks, expect to feel unsettled about plans or ideas until you adjust them to match reality more closely.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ♂ Conjunction ♅ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.
