KEY TRANSIT FACTORS

♂ Mars ☐ Square ☾ natal Moon ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

☾ Moon ☐ Quincunx ♇ natal Pluto ★

Right now your emotional reactions feel out of step with what's actually happening around you, leaving you confused about what you really want. You might find yourself **obsessing over small details** in conversations or situations, searching for hidden meanings that may not be there. These days it helps to check in with someone you trust before you act on what feels urgent, because your gut instincts are less reliable than usual while this lasts.

♄ Chiron ☐ Square ♂ natal Mars

Right now you're running into situations where your usual way of pushing forward feels blocked or clumsy, and you're **second-guessing your own strength**. You might notice old injuries or physical vulnerabilities flaring up, or you feel awkward and uncertain when you'd normally act with confidence. Over the coming weeks, this friction between doubt and action can actually show you where you're forcing things instead of thinking them through first.

♀ Venus ☐ Square ♆ natal Neptune

Right now you are **mixing fantasy with reality in relationships**, making promises you cannot keep or imagining closeness that does not actually exist. You may spend money on things or people that feel meaningful in the moment but leave you feeling foolish afterward. Over the coming weeks, your disappointment comes from expecting others to match an ideal version of them that lives only in your head.

♆ Neptune △ Trine ♄ natal Chiron

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ☾ Semi sextile ☽ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

LUNAR DAY

Moon in ♋ Pisces · Day 1 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
