KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♆ natal Neptune ★

Over the coming weeks, you may find it harder than usual to trust your own feelings or to know what you actually want in a situation. Your mood and your practical needs seem to be pulling in different directions, leaving you **uncertain about which one to follow**. This confusion usually passes once the transit moves on, but while it lasts you might make decisions you later question or feel emotionally scattered without a clear reason why.

♁ NNode ☉ Opposition ♇ natal Pluto

Right now you are **resisting changes that feel necessary but threatening**. You want to stay in control of situations that are slipping away, and that grip is making you anxious and irritable with people around you. Over the coming weeks, the more you push back against what needs to shift, the more friction you will create in your relationships and work.

♁ NNode △ Trine ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts** about people and situations without needing to analyze everything. Your imagination becomes more practical during these weeks, letting you spot creative solutions in ordinary problems at work or home. You naturally connect with what others need from you emotionally, so your relationships feel less strained and your social interactions run smoother than usual.

♁ Chiron ☉ Conjunction ☾ natal Moon

Right now you're more aware of what hurts you emotionally, and you notice old patterns in how you react when you feel vulnerable. This heightened sensitivity means you can see what you actually need from other people instead of just pushing feelings down. Over the coming weeks, this self-awareness gives you a chance to **handle emotional wounds more honestly** instead of letting them pile up.

♁ Chiron ☉ Opposition ♅ natal Uranus

Right now you feel caught between wanting to break free and being afraid of what happens if you do. Your usual ways of handling independence stop working, leaving you frustrated and looking for an escape route that does not exist. Over the coming weeks, this friction forces you to see exactly where you have been avoiding responsibility for your own choices instead of blaming outside limits.

♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

☉ Sun ∟ Semi sextile ♅ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

☉ Sun ♁ Opposition ♆ Neptune

Right now you are **more likely to feel confused about what you actually want** because the gap between your real goals and your wishful thinking is wider than usual. You might make promises you cannot keep or agree to things without checking the practical details first. The emotional fog makes it harder to trust your own judgment, so this is a good time to ask someone else before you commit to anything important.
