KEY TRANSIT FACTORS

☿ Mercury △ Trine ♁ natal Chiron ★

While this lasts, you find it easier to **talk through painful situations** without getting defensive or stuck. Your conversations with others become more straightforward and practical, which helps you actually work through what bothers you instead of ruminating alone. Over the coming weeks, this clarity in how you communicate can turn old hurts into useful lessons you can actually learn from.

☿ Mercury ☉ Opposition ♃ natal Jupiter ★

You're saying more than you mean to right now, and people are taking your words literally when you're just thinking out loud. Your **tendency to exaggerate or overstate** what you actually know is getting you into awkward conversations. Over the coming weeks, watch yourself before you commit to big claims or make promises you haven't thought through completely.

☿ Mercury △ Trine ♄ natal Saturn ★

Your thinking becomes **organized and practical** right now, making it easy to break down complicated problems into manageable steps. You find yourself naturally planning ahead and catching details you usually miss, which helps you avoid mistakes at work or in personal projects. This is a good time to handle administrative tasks, write things down clearly, or have difficult conversations because your words come out measured and straightforward.

☿ Mercury ☊ Conjunction ☉ natal Sun ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

☾ Moon □ Square ♂ Mars ★

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

♇ Pluto qx Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

☉ Sun ☐ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

☾ Moon ∟ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.
