KEY TRANSIT FACTORS

☿ Mercury △ Trine ♁ natal Chiron ★

While this lasts, you find it easier to **talk through painful situations** without getting defensive or stuck. Your conversations with others become more straightforward and practical, which helps you actually work through what bothers you instead of ruminating alone. Over the coming weeks, this clarity in how you communicate can turn old hurts into useful lessons you can actually learn from.

☿ Mercury ☍ Opposition ♃ natal Jupiter ★

You're saying more than you mean to right now, and people are taking your words literally when you're just thinking out loud. Your **tendency to exaggerate or overstate** what you actually know is getting you into awkward conversations. Over the coming weeks, watch yourself before you commit to big claims or make promises you haven't thought through completely.

☿ Mercury ☌ Conjunction ☉ natal Sun ★

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

♇ Pluto qx Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♁ NNode ∟ Semi sextile ♁ natal Chiron

Over the coming weeks, you'll find it easier to **notice when someone else is struggling and know exactly what to say** without overthinking it. This natural gift for understanding pain in others comes from recognizing similar patterns in yourself, and right now that recognition flows smoothly instead of getting tangled up. People around you will feel genuinely heard by you during this period, and that simple act often helps them more than they expected.

☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

☾ Moon * Sextile ☿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

› Moon * Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

* = natal resonance — this transit echoes your birth chart, amplifying its influence
