## KEY DATE

### ♁ Lilith enters ♉ Taurus

*Lilith* entering *Taurus* brings a **stubborn streak** about money and possessions that people notice right away—you might refuse to budge on a salary demand or suddenly care much more about owning things outright rather than borrowing. In relationships and friendships, this transit makes people **less willing to compromise** on what they actually want, even if it means saying no to things that don't feel right. At work and home, expect **resistance to being rushed**—*Taurus Lilith* types slow down deliberately and push back against pressure, which can either protect them from bad deals or create friction with people used to them being flexible.

## KEY TRANSIT FACTORS

### ♀ Venus ☌ Conjunction ♁ natal Lilith

Right now you're more willing to say no to things that don't fit who you are, and people around you notice the shift in your confidence. **You're drawing boundaries without apologizing**, and this feels genuinely good rather than defensive. This period shows you that being direct about your needs doesn't have to damage your relationships.

### ☿ Mercury ☌ Opposition ♇ natal Pluto

Right now you're likely to say things that feel urgent and important but come across as harsh or controlling to others. You may notice yourself pushing conversations toward uncomfortable truths or **interrogating people about their motives** in ways that feel justified to you but leave them feeling attacked. These days, your words have a sharp edge, and backing down or softening what you've said feels impossible until this transit passes.

### ☿ Mercury △ Trine ♆ natal Neptune

Your mind is unusually clear about things you normally find confusing, and you can explain your thoughts in ways people actually understand right now. **You pick up on what others mean without needing them to spell it out**, which makes conversations feel easier and more connected. These days your intuition about people and situations is reliable, so trust what you're sensing when it comes to making decisions.

### ♃ Jupiter □ Square ☾ natal Moon

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

### ♄ Chiron ♂ Quincunx ♀ natal Venus

Right now you notice small awkwardness in how you connect with people you care about, as if your usual way of showing affection doesn't quite land the way you expect. You might feel **slightly out of sync with your own preferences**, unsure whether you actually want what you thought you wanted in your relationships. Over the coming weeks, this discomfort is actually useful—it pushes you to adjust how you relate and to notice when you're settling or performing instead of being genuine.

### ☉ Sun ☾ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

### ☾ Moon ♂ Conjunction ♀ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.

## LUNAR DAY

Moon in ♈ Aries · Day 28 / 30 · Waning Crescent

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

## CLOTHING & JEWELRY
