KEY TRANSIT FACTORS

♇ Pluto ☿ Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♄ Saturn * Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **turn your daydreams into actual plans**. Your imagination stays creative but your practical mind kicks in at the same time, so you can sketch out real steps instead of just feeling inspired. This is a good window to start that project you've been thinking about or to organize something that felt too vague before.

♄ Saturn △ Trine ♇ natal Pluto

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

☿ Mercury ☉ Opposition ♊ natal NNode

Right now you're **second-guessing decisions you normally trust** and talking yourself out of opportunities that align with your actual goals. Your mind keeps pulling you toward safer, more familiar choices instead of the growth direction you've been moving toward. Over the coming weeks, you'll notice this mental resistance is the real obstacle—not the situation itself.

♄ Saturn □ Square ♅ natal Uranus

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

☉ Sun ∠ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun △ Trine ♃ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

LUNAR DAY

Moon in ♊ Gemini · Day 4 / 30 · New Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
