## KEY TRANSIT FACTORS

### ☾ Moon qx Quincunx ♀ natal Venus

Right now your emotional needs and what you want from relationships are pulling in different directions, and you feel the mismatch. You might feel **restless in social situations** or notice you're not getting satisfaction from the usual things that comfort you. Over the coming weeks, this awkwardness will fade, but for now it's worth noticing what feels off instead of forcing connection.

### ♄ Saturn \* Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **turn your daydreams into actual plans**. Your imagination stays creative but your practical mind kicks in at the same time, so you can sketch out real steps instead of just feeling inspired. This is a good window to start that project you've been thinking about or to organize something that felt too vague before.

### ♇ Pluto qx Quincunx ♀ natal Venus

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

### ♄ Saturn Δ Trine ♇ natal Pluto

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

### ♁ Chiron qx Quincunx ☉ natal Sun

While this lasts, you notice a **gap between how you see yourself and what actually works in your life**. You might feel awkward or out of step, as though your usual confidence does not quite fit the situation you are in. Over the coming weeks, small adjustments in how you present yourself or approach tasks will reduce this friction.

### ☉ Sun ♂ Conjunction ♁ Chiron

At the moment, you're more aware of your own weak spots and how they show up in everyday life. You might feel less confident than usual, or notice old patterns of self-doubt coming up without much warning. This is actually useful because **you can see yourself more clearly right now** — the discomfort is pointing you toward something real that deserves attention.

### ☉ Sun □ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

### › Moon ☿ Conjunction ♿ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.

#### LUNAR DAY

---

Moon in ♉ Taurus · Day 29 / 30 · Waning Crescent

**The pace slows considerably** during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

#### CLOTHING & JEWELRY

---

Tuesday · ☿ Mars · Venus in Sagittarius

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
