KEY TRANSIT FACTORS

☉ Sun * Sextile ☉ natal Sun

These days you feel **naturally confident in what you're doing**, and people respond well to that straightforward self-assurance. Your practical efforts tend to work out with less friction than usual, whether that's at work, in a project, or in conversations. This calm support from the transiting *Sun* sextile your natal *Sun* won't solve your problems, but it does make you feel capable and willing to tackle them.

♂ Mars ∟ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

♄ Saturn □ Square ♀ natal Venus

Right now you feel **withdrawn and critical** about your relationships, noticing flaws that bother you more than usual. People may seem demanding or disappointing, and you're less interested in socializing or physical affection during this period. This temporary hardness comes from *Saturn* pressing on your *Venus*, making emotional closeness feel like work rather than pleasure.

☉ Sun * Sextile ☿ natal Mercury

Your thinking feels clearer right now, and you find it easier to explain what you actually mean to people around you. Conversations flow naturally without the usual awkwardness, so this is a good time to tackle practical discussions or present ideas at work. This **mental clarity and confidence** won't last forever, so use these weeks to sort through decisions you have been putting off.

♁ Lilith ♂ Conjunction ♁ natal Uranus

You're feeling a stronger urge to break away from rules or expectations that usually bind you, and you're more willing to act on that impulse without planning ahead. Your **need for independence suddenly feels urgent**, and you might say or do things that surprise people who know you as reliable. Over the coming weeks, situations that felt settled may shift quickly as you test new boundaries in your relationships or work.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☿ Quincunx ♅ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

☾ Moon △ Trine ♿ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

LUNAR DAY

Moon in ♊ Gemini · Day 8 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
