KEY TRANSIT FACTORS

♀ Venus ☌ Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **what you want socially or romantically no longer matches what actually satisfies you**, leaving you feeling oddly restless even when things are going well. You might find yourself questioning a relationship or friendship more critically than usual, spotting problems you'd overlooked before. This mismatch between your surface desires and your deeper needs is temporary, but it's real right now, and it usually means something in your social world needs honest adjustment.

♀ Venus ☐ Square ♆ natal Neptune

Right now you are **mixing fantasy with reality in relationships**, making promises you cannot keep or imagining closeness that does not actually exist. You may spend money on things or people that feel meaningful in the moment but leave you feeling foolish afterward. Over the coming weeks, your disappointment comes from expecting others to match an ideal version of them that lives only in your head.

♃ Jupiter △ Trine ♇ natal Pluto

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

☾ Moon * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that usually hurt to mention, and people respond well when you do. Your **natural openness about your own difficulties** gives others permission to be honest too, creating real connection instead of surface small talk. Over the coming weeks, this ease with vulnerability can help you understand your own patterns more clearly and support someone else who needs to hear that they're not alone in their struggle.

☾ Moon △ Trine ♃ natal Jupiter

Right now you feel **genuinely optimistic about what's possible**, and other people pick up on that — they become more generous and cooperative with you. You're more likely to take small social risks or ask for what you need because rejection doesn't seem threatening at the moment. These days your mood lifts your practical decisions, so you make choices that actually work out better than usual.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

› Moon ☿ Conjunction ♀ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.

› Moon ♃ Semi sextile ♄ Saturn

These days you find it easier to **talk about practical problems without getting swept up in feelings**. The *Moon* and *Saturn* aspect makes emotional conversations feel steadier, so you can say what needs saying without drama. This is a good time to have difficult talks about real things because your head and your heart are working together instead of against each other.

LUNAR DAY

Moon in ♋ Pisces · Day 29 / 30 · Waning Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY
