## KEY TRANSIT FACTORS

### ♁ NNode \* Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to **talk openly about past hurts without getting stuck in them**. People respond well when you share something real about yourself because you're no longer defending or minimizing what happened. This practical shift in how you communicate creates real opportunities to connect with others on an honest level.

### ♁ Chiron ♂ Conjunction ♇ natal Pluto

Right now you are more aware of where you feel powerless in your life, and this clarity can actually help you make practical changes. You might notice old patterns of control or manipulation in your relationships more easily, which means you can address them directly instead of ignoring them. Over these coming weeks, **you're less likely to accept things the way they've always been**, and that pushes you toward real conversations or decisions you've been avoiding.

### ♁ NNode ♂ Conjunction ♃ natal Jupiter

Right now you're drawn to say yes to more opportunities than usual, and people respond well when you do. You feel more confident about your own opinions and less worried about being wrong, which makes you speak up in conversations where you'd normally stay quiet. Over the coming weeks, this confidence can help you move forward on something you've been hesitant about, though it's worth checking if you're overestimating what you can actually take on.

### ♁ Chiron \* Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **talk about your feelings without overdoing the drama**. Your natural compassion stays intact, but you're less likely to get lost in someone else's problems or your own fantasies about what they need. This is a good time to offer real support to people around you because you can actually listen instead of just projecting your own hopes onto their situation.

### ♅ Uranus ♋ Opposition ♆ natal Neptune

Right now you're caught between wanting clarity and being pulled toward wishful thinking, which makes practical decisions feel impossible. Your usual ability to sense what others need starts working against you because you're picking up on mixed signals that may not even be real. Over the coming weeks, you'll need to slow down and write things down instead of trusting your gut, because your instincts are genuinely unreliable at the moment.

### ♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

### ☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun ☊ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

☾ Moon ☌ Conjunction ♂ Mars

These days you feel **more willing to act on what bothers you** instead of sitting with it quietly. Your emotions are running faster than usual, and you're more likely to speak up or make a move when something frustrates you. This is a practical time to tackle tasks that need direct energy, though it's also easier to react sharply if someone gets in your way.

LUNAR DAY

Moon in ♌ Leo · Day 21 / 30 · Waning Gibbous

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
