## KEY TRANSIT FACTORS

### ☉ Sun △ Trine ♀ natal Venus

Right now you find it easier to like yourself and feel comfortable in your own skin, which naturally makes other people want to be around you more. You're less critical of your flaws and **more accepting of who you are**, so conversations flow better and you come across as genuinely relaxed instead of trying too hard. This period is ideal for repair work in relationships, starting something new socially, or simply enjoying the company of people you care about without the usual second-guessing.

### ♀ Venus \* Sextile ♇ natal Pluto

You find yourself **drawn to people and situations with real substance** right now, and you're willing to invest genuine effort into the connections that matter. Others respond to your honesty and directness about what you want, which makes your relationships feel less superficial than usual. This is a good window to have difficult conversations or make commitments you actually mean, because you're both sincere and tactful at the same time.

### ♀ Venus △ Trine ♆ natal Neptune

These days you find it easier to **connect with people on a softer level**, and they respond well to your gentleness. Your romantic life or close relationships feel more fluid right now, with less friction and more natural understanding between you and others. Over the coming weeks, your appreciation for beauty and comfort also tends to make everyday moments feel a bit more pleasant.

### ♂ Mars ♂ Conjunction ♃ natal Jupiter

You feel **more confident taking action** on things you have been thinking about for weeks. Your appetite for challenges grows right now, and you are willing to push harder than usual at work or in personal projects. Over the coming weeks, watch that you don't overcommit or say yes to everything just because you feel capable of doing it.

### ♂ Mars \* Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to **talk directly about past hurts without getting defensive**. You have more patience for difficult conversations and can explain what went wrong without blaming yourself or others. This is a good time to address old wounds with people you care about because your words land differently right now.

### ☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

### ☉ Sun \* Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

### › Moon ♂ Conjunction ♄ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.
