## KEY TRANSIT FACTORS

### ♄ Saturn ☌ Conjunction ♅ natal Uranus

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

### ♃ Jupiter ☌ Quincunx ☿ natal Mercury

Right now your thinking feels scattered when you try to tackle detailed work or organize your thoughts. You may notice yourself making careless mistakes in writing or communication because your **attention keeps jumping between ideas** instead of staying focused. Over the coming weeks, double-checking your work and writing things down before speaking will help you actually complete what you start.

### ♃ Jupiter ☌ Quincunx ☉ natal Sun

Over the coming weeks, you feel pulled toward bigger plans or ambitions but find the timing awkward — what looks promising on paper doesn't fit smoothly into your actual life right now. You may **start projects with real enthusiasm only to realize they need reworking** once you see how they actually slot into your schedule or resources. This period asks you to adjust your expectations rather than push forward unchanged, and that kind of practical recalibration takes patience.

### ♄ Saturn ☌ Opposition ☾ natal Moon

These days you feel emotionally tired and less patient with people who depend on you, even though you know they need your support. Your automatic response is to withdraw or set stricter rules rather than explain what you actually need. This period pushes you to understand that your limits are real, but the way you communicate them right now tends to come across as cold or dismissive.

### ♀ Venus ☌ Semi sextile ♆ natal Neptune

Over the coming weeks, you become **more open to what people need from you emotionally**, and you notice others respond better to you because of it. Your usual defenses soften just enough that you can listen without jumping to fix things, which makes conversations feel easier and more natural. This is a good time to deepen connections with people you care about, since you're genuinely present rather than distracted by your own concerns.

### ♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

### ♃ Jupiter Rx · ♋ Cancer

Emotional generosity and the expansion of close bonds may feel less available right now. Past connections, family relationships, or unresolved emotional commitments return to the foreground. Honest reflection on where your genuine care and loyalty are directed yields more than performing warmth you do not feel.

☉ Sun ☌ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☌ Semi sextile ♁ NNode

These days you find it easier to **act on what matters to you without overthinking**. Your decisions feel more natural and less forced, so you move forward on things you've been putting off. This period supports practical progress because you're not stuck in doubt or second-guessing yourself.

☾ Moon ♂ Conjunction ♁ NNode

These days you feel **drawn toward people and situations that feel familiar or emotionally safe**. You're more likely to reach out to family or old friends, and you notice you care more about belonging than usual. This is a good time to listen to what your gut tells you about which relationships actually matter to you.

LUNAR DAY

Moon in ♑ Capricorn · Day 3 / 30 · New Moon

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
