KEY TRANSIT FACTORS

♊ NNode qx Quincunx ☾ natal Moon ★

Over the coming weeks, you'll notice your usual emotional comfort habits don't quite work the way they normally do. You might feel pulled toward new social connections or group activities that don't match your typical preference for familiar people, leaving you **restless and slightly off-balance**. The mismatch between what feels safe emotionally and what seems important to pursue socially will gradually push you toward small changes in how you relate to others.

♃ Jupiter qx Quincunx ♃ natal Jupiter

Right now you are noticing a mismatch between what you want to expand in your life and what actually fits your current situation. You might feel pulled toward a new opportunity or ambition, but something about it does not quite align with your practical reality. Over the coming weeks, the adjustment you need to make will become clearer if you stop pushing and instead listen to what feels genuinely **workable** rather than just exciting.

♃ Jupiter qx Quincunx ♁ natal Chiron

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

♊ NNode ∠ Semi sextile ♅ natal Uranus

Over the coming weeks, you find it easier to **try new things without overthinking them**, and people around you seem to notice your willingness to experiment. Your practical side stays intact while your curiosity pushes you to take small risks in familiar areas like work routines or social habits. This is a good time to test out ideas you've been sitting on, because you have just enough caution mixed in with your adventurous streak to actually make something of them.

♀ Venus □ Square ☉ natal Sun

Right now you feel **less attractive and less sure of yourself** than usual, which makes social situations feel awkward instead of enjoyable. You may notice that people are not responding to you the way they normally do, or that you are picking fights over small things in your close relationships. This friction is temporary, but while it lasts, you will need to be more intentional about how you show up around others instead of relying on your usual charm.

☉ Sun ☍ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. Sun square Jupiter pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.
