## KEY TRANSIT FACTORS

### ♂ Mars ☐ Square ☽ natal Moon ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

### ☽ Moon ☒ Quincunx ♃ Neptune ★

These days your emotional reactions don't match what's actually happening around you, and it takes effort to figure out why. You might feel **vaguely unsettled or pulled in different directions without a clear reason**, making it hard to trust your own feelings. This mismatch between your gut and reality tends to fade once you slow down and check the facts instead of following your first impression.

### ♇ Pluto △ Trine ☽ natal Moon

These days you find it easier to **act on what you actually feel** instead of hiding or dismissing your emotions. People around you notice you seem more direct and honest about what matters to you, and they tend to respond well to this straightforwardness. Over the coming weeks, situations that once felt emotionally stuck start to move forward because you're not holding back anymore.

### ♃ Jupiter ∟ Semi sextile ☽ natal Moon

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

### ♀ Venus ☒ Quincunx ♂ natal Mars

Over the coming weeks, you may notice that what normally appeals to you doesn't quite fit your current drive, leaving you feeling **slightly out of sync with your own desires**. Your attractions and what you actually want to do pull in different directions, making it hard to settle on what matters most. This awkward gap typically passes as the transit moves on, but while it lasts you might need to slow down and check in with yourself about what you actually value right now.

### ♀ Venus ☒ Quincunx ♊ natal NNode

Right now you are noticing small misalignments between what you want socially and what actually fits your growth. You might find yourself attracting people or situations that feel pleasant on the surface but slightly off-track from where you are heading. Over the coming weeks, you will do better by checking in with yourself about whether new connections or social choices actually move you forward or simply feel comfortable in the moment.

### ☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

### ☾ Moon \* Sextile ♃ Jupiter

Right now you find it easier to talk about what you actually need and have people listen without defensiveness. Your **emotional honesty feels safer**, and others respond by being more generous and accepting in return. This creates a practical benefit: conversations that might normally stall or get complicated tend to move forward into real understanding.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

## LUNAR DAY

---

Moon in ♊ Gemini · Day 11 / 30 · First Quarter

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

## CLOTHING & JEWELRY

---

Saturday · ♄ Saturn · Venus in Sagittarius

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
