KEY TRANSIT FACTORS

♅ Uranus ☾ Semi sextile ♇ natal Pluto ★

Over the coming weeks, you'll notice small opportunities to break free from habits or situations that no longer serve you, without needing to blow everything up. Your instinct for **recognizing when change is necessary** becomes sharper, and you can act on it gradually rather than waiting for a crisis. This is a good time to experiment with new approaches to work or personal projects, because the timing feels naturally right.

♀ Venus ☿ Quincunx ♃ natal Jupiter

Over the coming weeks, you may find yourself **wanting more from your relationships and social life than feels comfortable to ask for**. You notice a mismatch between what you hope for and what you're actually willing to pursue, leaving you feeling a bit stuck in conversations or plans. This awkward feeling typically passes once you decide what you actually want instead of waiting for the perfect moment.

♀ Venus ☐ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

♁ NNode ☿ Quincunx ☉ natal Sun

These days you feel pulled between what you want to do and what feels like the right thing to do, and the two don't quite line up. You might find yourself **saying yes to commitments that don't actually match your real priorities**, then feeling frustrated when you realize what you've agreed to. Over the coming weeks, the practical answer is to slow down before you commit and check in honestly with yourself about what you actually want.

♃ Jupiter ☉ Opposition ♀ natal Venus

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

♀ Venus △ Trine ♁ NNode

Right now you find it easier to connect with people who actually matter to you, and conversations feel more natural without much effort. You're more willing to be generous with your time and attention, which makes others respond well to you and creates good feeling in your relationships. This is a practical window for sorting out social or romantic situations that have been unclear, because you're both patient and direct at the same time.

♂ Mars □ Square ♃ Jupiter

Right now you are more likely to act without thinking things through, and your confidence can tip into overconfidence. You might push harder on something that actually needs patience, or say yes to too much because you believe you can handle it all. This period tends to expose where you **overestimate your capacity** and underestimate the practical steps required to finish what you start.

LUNAR DAY

Moon in ♊ Gemini · Day 8 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Sagittarius

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
