## KEY TRANSIT FACTORS

### ☉ Sun \* Sextile ♂ natal Mars

Right now you feel **purposeful and able to act on what matters to you**, and tasks that usually feel like a drag become easier to start. Your practical energy is flowing, so this is a good time to tackle projects at work or home that need your direct effort and attention. Over the coming weeks, you're likely to notice people respond better to your straightforward approach and genuine confidence.

### ♃ Jupiter ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

### ☉ Sun ♂ Conjunction ♁ natal NNode

Right now you are **more willing to step into situations that feel slightly unfamiliar**, whether that's speaking up in a group, trying a new activity, or saying yes to something you would normally decline. Your confidence is higher than usual, and people around you are responding to that shift in how you carry yourself. Over the coming weeks, pay attention to what kinds of opportunities you naturally gravitate toward, because they often point to what you actually want to develop.

### ♃ Jupiter □ Square ♁ natal Chiron

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

### ♀ Venus qx Quincunx ♁ natal Chiron

Right now you notice that **compliments or affection from others feel slightly off or hard to accept**, even when you know they're genuine. You might find yourself over-explaining why someone's kindness doesn't quite apply to you, or wondering if they really mean it. This awkwardness in receiving care tends to fade as the weeks pass, but while it lasts you'll do better by simply saying thank you rather than analyzing why you don't deserve the attention.

### ♄ Saturn Rx · ♓ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

› Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

› Moon \* Sextile ♃ Jupiter

Right now you find it easier to talk about what you actually need and have people listen without defensiveness. Your **emotional honesty feels safer**, and others respond by being more generous and accepting in return. This creates a practical benefit: conversations that might normally stall or get complicated tend to move forward into real understanding.

♃ Mercury \* Sextile ♂ Mars

Right now you find it easier to speak up about what you actually want instead of holding back. Your words come out more direct and confident, and people tend to listen because you sound like you mean it. This is a good time to have difficult conversations or pitch ideas at work, since **your thinking and your drive are working together**.

LUNAR DAY

Moon in ♊ Gemini · Day 20 / 30 · Waning Gibbous

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
