KEY TRANSIT FACTORS

♅ Uranus ☐ Square ☿ natal Mercury

Your thoughts feel scattered and hard to pin down these days, making it difficult to follow through on plans or explanations. You might **interrupt conversations without noticing, say things you regret, or struggle to listen** because your mind is jumping between too many ideas at once. This restlessness in how you think and communicate will likely frustrate both you and the people around you until this period passes.

☿ Mercury ☐ Quincunx ♅ natal Uranus

Your thinking becomes restless and hard to pin down while this lasts, making it difficult to follow through on practical plans. You might start several mental projects or conversations but abandon them midway because your focus keeps **jumping to new angles** without warning. This is a good time to notice which ideas actually matter to you and which ones are just distractions.

♅ Uranus ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **adjust your plans without feeling like you're losing control**. Small changes to your schedule or approach no longer feel threatening, and you can spot practical improvements you've been putting off. This is a good window to update systems, refresh routines, or try a different method at work without the usual resistance.

♀ Venus ☐ Quincunx ♀ natal Venus

Over the coming weeks, you might feel slightly off about what usually makes you happy, whether that's social time, physical affection, or how you spend money. You may become **restless with familiar routines** and find yourself wanting something different without quite knowing what. This awkward feeling typically pushes you to adjust how you approach relationships or self-care rather than change them completely.

☿ Mercury ∟ Semi sextile ☾ natal Moon

Your thoughts become more **aligned with what you actually feel** right now, so conversations flow more naturally and people respond well to you. You find it easier to put emotions into words without overthinking, which makes social interactions feel less exhausting. This small shift makes everyday exchanges with friends and family go smoother than usual over the coming weeks.

♂ Mars Rx · ♐ Sagittarius

The drive to expand, travel, or pursue big goals hits practical obstacles during this period. Restlessness and impatience with limitations are higher than usual, but action taken from frustration tends to misfire. Reviewing your longer-term direction is more rewarding now than forcing movement toward it.

☉ Sun ☿ Quincunx ♂ Mars

At the moment, you feel driven to act but something keeps pulling your attention in a different direction, making it hard to move forward with any single plan. Your usual way of doing things no longer feels quite right, and you have to keep adjusting your approach as you go. This mismatch between what you want to do and what actually works creates a practical friction that requires patience and small corrections rather than big changes.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun □ Square ♃ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

LUNAR DAY

Moon in ♐ Sagittarius · Day 14 / 30 · Waxing Gibbous

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY
