## KEY TRANSIT FACTORS

### ♇ Pluto ☐ Square ☉ natal Sun

You're feeling **unusually defensive about who you are** and what you believe in right now. People seem to be challenging your authority or questioning your choices in ways that sting more than usual, and you find yourself either backing down or pushing back harder than makes sense. Over the coming weeks, you'll need to watch whether you're holding your ground for real reasons or just because someone rattled you.

### ♄ Saturn qx Quincunx ♇ natal Pluto

You feel stuck between wanting to control a situation and knowing you cannot, which makes you irritable and restless in ways that are hard to explain to others. **You push harder on things that won't budge**, and this friction shows up most in relationships or projects where someone else has real power. Over the coming weeks, the practical way forward is to accept what you genuinely cannot change and redirect your effort toward the small moves that are actually within your reach.

### ♂ Mars ☌ Conjunction ♀ natal Venus

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

### ♄ Saturn qx Quincunx ♆ natal Neptune

Right now you're noticing the gap between what you imagine and what actually works in practice. You feel caught between wanting to escape reality and knowing you have real responsibilities that need attention. This uncomfortable mismatch forces you to make small adjustments to your plans, even if it feels frustrating at the moment.

### ☾ Moon △ Trine ♀ natal Venus

Right now you're feeling more **naturally affectionate and open with people around you**, which makes conversations easier and warmer than usual. Your emotional needs and what you actually want from relationships are lining up for once, so you're less likely to hide what matters to you or settle for less. Over the coming weeks, this alignment makes it simpler to ask for what you need and to show care without overthinking it.

### ☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

### ☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

### ☉ Sun ∟ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

## LUNAR DAY

Moon in ♈ Aries · Day 4 / 30 · New Moon

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

## CLOTHING & JEWELRY
