KEY TRANSIT FACTORS

♂ Mars ☐ Square ☾ natal Moon ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

☾ Moon qx Quincunx ♆ natal Neptune ★

Over the coming weeks, you may find it harder than usual to trust your own feelings or to know what you actually want in a situation. Your mood and your practical needs seem to be pulling in different directions, leaving you **uncertain about which one to follow**. This confusion usually passes once the transit moves on, but while it lasts you might make decisions you later question or feel emotionally scattered without a clear reason why.

☉ Sun ♂ Conjunction ☿ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

♀ Venus * Sextile ☉ natal Sun

Right now you find it easier to **be yourself around others** without overthinking or apologizing for who you are. People respond well to this natural confidence, and social interactions feel less effortful than usual. Over the coming weeks, this *Venus* support to your *Sun* makes it simpler to attract opportunities and build connections without forcing anything.

♆ Neptune qx Quincunx ♃ natal Jupiter

Over the coming weeks, you may find that your usual confidence about what's possible gets pulled in different directions, making it hard to commit to plans or decisions. You might notice yourself second-guessing opportunities that normally excite you, or feeling unclear about whether to expand something or hold back. These contradictions are temporary, and the practical thing to do is stay flexible and avoid locking yourself into major commitments while this lasts.

♆ Neptune qx Quincunx ♁ natal Chiron

While this lasts, you may notice **difficulty separating your own pain from other people's problems**. You feel drawn to help or rescue someone, but the situation stays unclear and drains you without resolution. Over the coming weeks, set practical boundaries about what you can actually do rather than getting pulled into situations that feel emotionally important but ultimately aren't yours to fix.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ▲ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence
