KEY TRANSIT FACTORS

☉ Sun ♂ Conjunction ☿ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

♇ Pluto ♂ Quincunx ♁ natal Chiron

You're noticing that old defensive patterns are not working the way they used to, and this discomfort is forcing you to pay attention to how you protect yourself emotionally. **You feel pressure to change something**, but the exact solution isn't clear yet, so you're stuck between what you know and what might work better. Over the coming weeks, this awkward feeling is actually pointing you toward a more honest way of handling your own pain and the pain you see in others.

♃ Jupiter ♂ Conjunction ☉ natal Sun

You feel more confident in social situations and willing to take on bigger responsibilities at work or home. People tend to respond well to you right now, and you're less likely to doubt yourself before speaking up. Over the coming weeks, you might find yourself saying yes to opportunities you would normally hesitate about.

♇ Pluto ☐ Square ♃ natal Jupiter

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

♁ Chiron △ Trine ♆ natal Neptune

While this lasts, you find it easier to **talk about your insecurities without shame**, and people respond with genuine understanding instead of judgment. Your usual defensiveness around emotional mistakes softens, letting you admit what you actually struggle with. This practical honesty tends to deepen your connections with others over the coming weeks.

♁ Chiron ♂ Opposition ♇ natal Pluto

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.
