## KEY TRANSIT FACTORS

### ♁ Chiron △ Trine ♆ natal Neptune

While this lasts, you find it easier to **talk about your insecurities without shame**, and people respond with genuine understanding instead of judgment. Your usual defensiveness around emotional mistakes softens, letting you admit what you actually struggle with. This practical honesty tends to deepen your connections with others over the coming weeks.

### ♁ Chiron ☉ Opposition ♇ natal Pluto

Right now you are **confronting ways you control situations through fear or secrecy**, and it feels uncomfortable because someone or something is forcing you to see what you have been hiding from yourself. You may notice that your usual tactics for managing relationships or power no longer work, leaving you feeling exposed and defensive. These days it is worth sitting with this discomfort instead of retreating into old patterns, because what feels threatening right now is actually showing you where real change needs to happen.

### ♅ Uranus \* Sextile ♀ natal Venus

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

### ☿ Mercury △ Trine ♅ natal Uranus

Your mind is working faster than usual right now, and you're making unexpected connections between ideas that seemed unrelated before. You find yourself **thinking in new directions** and willing to try approaches that normally wouldn't occur to you. Over the coming weeks, this mental clarity can help you solve practical problems or come up with fresh solutions at work or in your personal projects.

### ♂ Mars □ Square ♁ natal Chiron

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

### ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

### ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

### ☉ Sun \* Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

## LUNAR DAY

---

Moon in ♒ Aquarius · Day 25 / 30 · Last Quarter

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
