KEY TRANSIT FACTORS

♃ Jupiter * Sextile ♁ natal Chiron ★

Over the coming weeks, you find it easier to talk about your past difficulties without getting stuck in them. When something painful comes up, you can **acknowledge it and move forward** rather than dwelling on old hurts. This practical shift makes your conversations with friends or a therapist more productive, and you actually feel lighter afterwards.

♆ Neptune ♁ Quincunx ☾ natal Moon ★

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

☿ Mercury △ Trine ♃ natal Jupiter

These days you find it easier to explain what you actually think, and people tend to listen without getting defensive. Your mind feels **naturally clear and generous**, so you're more likely to ask good questions and give others the benefit of the doubt when you talk. Over the coming weeks, conversations that normally feel strained or circular often just work out, which can smooth things at work or in your relationships.

☿ Mercury * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that normally feel difficult or tender for you. Your words come out clearer and more honest without feeling as risky, and people tend to listen more carefully. This is a good window to **have the conversations you've been putting off** — about past hurts, what you need, or how you've grown from hard experiences.

♂ Mars △ Trine ♊ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

☉ Sun ∠ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ∠ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

LUNAR DAY

Moon in ♒ Aquarius · Day 26 / 30 · Last Quarter

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.

CLOTHING & JEWELRY
