KEY DATE

♃ Jupiter enters ♉ Taurus

Jupiter in *Taurus* makes people **slower to decide** but more **confident once they commit** to money moves, property deals, or long-term plans. At work and in relationships, you'll notice a shift toward **wanting real results** rather than quick wins — people spend time building something solid instead of jumping between options. Over time, those who **take deliberate action** on financial goals or practical projects during this transit tend to see actual gains, though the pace feels measured compared to what *Jupiter* usually delivers.

KEY TRANSIT FACTORS

♁ Chiron △ Trine ☿ natal Mercury ★

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

♁ Chiron △ Trine ☉ natal Sun ★

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

♁ Chiron △ Trine ♄ natal Saturn ★

You are finding it easier to accept your own limitations without feeling like you have failed. **You take a practical approach to your weaknesses** and see them as useful information rather than proof of inadequacy. Over the coming weeks, this shift in perspective makes it simpler to plan realistic goals and stick to them without the usual self-criticism getting in your way.

♁ Chiron ★ Sextile ♃ natal Jupiter ★

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

♇ Pluto qx Quincunx ☾ natal Moon ★

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

☾ Moon ☐ Square ♂ Mars ★

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☾ Moon * Sextile ♀ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.
