## KEY TRANSIT FACTORS

### ♇ Pluto \* Sextile ♆ natal Neptune ★

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

### ♇ Pluto qx Quincunx ☾ natal Moon ★

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

### ♀ Venus ♂ Conjunction ♁ natal Lilith

Right now you're more willing to say no to things that don't fit who you are, and people around you notice the shift in your confidence. **You're drawing boundaries without apologizing**, and this feels genuinely good rather than defensive. This period shows you that being direct about your needs doesn't have to damage your relationships.

### ♅ Uranus ∟ Semi sextile ♀ natal Venus

You're noticing small but real shifts in how you present yourself socially these days. You feel a bit more willing to try a different style, say something unexpected, or connect with people outside your usual circle. This **gentle openness to change** in your relationships and self-expression comes without pressure, so you can experiment and see what actually fits.

### ☉ Sun ♂ Conjunction ♂ natal Mars

You're running on more fuel than usual right now, and you're likely to **act on impulses faster than you normally would**. Your appetite for physical activity, competition, or getting things done goes up noticeably during these weeks. This burst of directness can help you tackle projects or stand up for yourself, though you might also notice you're more irritable if something gets in your way.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

### › Moon \* Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.
