## KEY TRANSIT FACTORS

### ☾ Moon ☿ Quincunx ♇ Pluto ★

These days you might notice a gap between what you feel and what you think you should do about it. Your emotional reactions feel stronger than usual, and you can't quite figure out why small things are bothering you more. This mismatch between your feelings and your practical choices can make you feel stuck until you take time to understand what's actually upsetting you.

### ♂ Mars ☿ Quincunx ☾ natal Moon

Over the coming weeks, you may feel **restless in ways that don't match what you actually want to do**. Your emotional needs and your impulse to act keep pulling in different directions, leaving you frustrated or unsure which one to follow. This awkward timing usually passes, but while it lasts you might notice yourself starting things and stopping them, or feeling irritated that people aren't moving at your pace.

### ♇ Pluto ☉ Opposition ♁ natal Chiron

Over the coming weeks, you are likely to feel **defensive about your vulnerabilities** in ways that push people away. Old wounds or insecurities that you normally manage quietly become raw and exposed, making you want to control how others see you. This psychological pressure can feel intense, but it often forces you to stop hiding what actually hurts and start addressing it directly.

### ♇ Pluto △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to take productive risks and push past self-imposed limits without overthinking. Your **confidence in your own judgment grows**, and you're more likely to follow through on plans that require persistence or personal reinvention. This is a good window to tackle something you've been putting off because it feels too big or demanding.

### ☾ Moon ∟ Semi sextile ♁ natal Chiron

Right now you find it easier to talk about things that usually embarrass or hurt you, and people respond with genuine understanding instead of judgment. Your **willingness to be honest about your struggles** creates real connection with others who have felt the same way. Over the coming weeks, this openness helps you move past old shame without needing to overthink it.

### ♃ Jupiter ☉ Conjunction ♀ natal Venus

Over the coming weeks, you're more **generous with your time and attention**, and people respond by wanting to be around you more often. You feel less critical of yourself and others, which makes social situations feel easier and less exhausting. This is a practical window to deepen relationships or make a good impression, since you're naturally more likeable right now.

### ☉ Sun ☉ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

› Moon ☐ Square ♃ Neptune

Right now your emotional responses feel disconnected from what is actually happening around you. You might **overreact to small problems or miss real warning signs** because your feelings are not matching the facts. This mismatch between what you feel and what is real makes it hard to trust your own judgment about people and situations.
