## KEY TRANSIT FACTORS

### ☉ Sun ☿ Conjunction ☿ natal Mercury ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

### ☉ Sun △ Trine ♄ natal Saturn ★

Right now you're finding it easier to stick with difficult tasks without getting frustrated or distracted. Your **practical patience** is stronger than usual, which means you can push through boring or repetitive work without burning out. Over the coming weeks, this is a good time to tackle projects that need steady effort rather than sudden bursts of energy.

### ☉ Sun ☿ Opposition ♃ natal Jupiter ★

Right now you're running into limits on your confidence and optimism that can feel frustrating. You may **overcommit to plans or promises** only to realize you don't have the resources or energy to follow through, leaving you embarrassed or defensive. Over the coming weeks, the practical lesson is to check your assumptions before you say yes, because your instinct to be generous is working against your actual capacity.

### ☉ Sun △ Trine ♁ natal Chiron ★

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

### ♁ Chiron ★ Sextile ♂ natal Mars

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

### ☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

### ☾ Moon △ Trine ☿ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

### › Moon ☾ Quincunx ♃ Mars

These days you might feel **restless without knowing why**, like your emotions want something your body isn't ready to deliver. Small tasks feel either pointless or urgent depending on your mood, and you could snap at someone over something that wouldn't normally bother you. The mismatch between what you feel like doing and what actually needs doing right now creates a practical friction that's hard to sit with.
