## KEY TRANSIT FACTORS

### ♂ Mars ☐ Square ☾ natal Moon ★

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

### ♂ Mars △ Trine ♀ natal Pluto

Right now you have **real drive to tackle difficult problems** that have been sitting on your shelf, and you're doing it without burning out. Your willpower feels steady instead of aggressive, so you can push through obstacles without exhausting yourself or alienating people around you. Over the coming weeks, you'll notice you're actually finishing projects and making visible progress where you usually get stuck.

### ♂ Mars \* Sextile ♃ natal Neptune

You find it easier right now to **turn your ideas into actual plans** without getting bogged down in details or self-doubt. Your practical side and your imagination are working together instead of pulling in different directions. Over the coming weeks, you can make real progress on creative or personal projects that usually feel too vague or difficult to start.

### ☉ Sun ☉ Opposition ☾ natal Moon

Right now you feel caught between what you want to do and what you feel you should do, and this split is making you irritable and tired. Your **need for rest clashes with external demands**, so you're pushing yourself when your body is asking for a break. Over the coming weeks, others may see you as withdrawn or difficult, when really you're just exhausted from the mismatch between your inner state and what the outside world expects from you.

### ♀ Venus ∟ Semi sextile ♊ natal NNode

Over the coming weeks, you find it easier to say yes to social invitations and to spend time with people who genuinely matter to you, without overthinking whether you belong. You become **more relaxed about being yourself in groups**, and others respond to this by including you more naturally in their plans. This small shift creates more warmth in your relationships and makes it simpler to build connections that actually fit who you are.

### ☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

### ♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

## ♃ Jupiter Rx · ♋ Pisces

Spiritual, creative, and compassionate expansions slow and turn inward right now. Beliefs about meaning, forgiveness, and transcendence that felt clear may now seem uncertain. Deeper honesty about what you genuinely believe rewards you more during this period than what feels comforting to think.

## ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

## ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

## ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.
