♁ North Node	in	♎ Libra	11°07'00"	VIII Rx
♁ Lilith	in	♊ Gemini	26°56'07"	V

## KEY TRANSIT FACTORS

### ☉ Sun △ Trine ♄ natal Chiron ★

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

### ☉ Sun ☿ Opposition ♃ natal Jupiter ★

Right now you're running into limits on your confidence and optimism that can feel frustrating. You may **overcommit to plans or promises** only to realize you don't have the resources or energy to follow through, leaving you embarrassed or defensive. Over the coming weeks, the practical lesson is to check your assumptions before you say yes, because your instinct to be generous is working against your actual capacity.

### ☉ Sun △ Trine ♄ natal Saturn ★

Right now you're finding it easier to stick with difficult tasks without getting frustrated or distracted. Your **practical patience** is stronger than usual, which means you can push through boring or repetitive work without burning out. Over the coming weeks, this is a good time to tackle projects that need steady effort rather than sudden bursts of energy.

### ☉ Sun ☿ Conjunction ♄ natal Mercury ★

Right now your thinking is sharper and you naturally want to talk more than usual. You find it easier to explain what you mean and people listen better when you speak, which makes **communicating your ideas** feel less effortful. These days your mind moves quickly and you pick up details others miss, though you may jump between topics faster than normal.

### ♄ Saturn ☿ Quincunx ☾ natal Moon

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

### ☉ Sun ☿ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

### ☾ Moon □ Square ♄ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

### › Moon ✳ Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

✳ = natal resonance — this transit echoes your birth chart, amplifying its influence

### LUNAR DAY

Moon in ♍ Virgo · Day 22 / 30 · Waning Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

### CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Sagittarius

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
