KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♇ natal Pluto ★

Right now your emotional reactions feel out of step with what's actually happening around you, leaving you confused about what you really want. You might find yourself **obsessing over small details** in conversations or situations, searching for hidden meanings that may not be there. These days it helps to check in with someone you trust before you act on what feels urgent, because your gut instincts are less reliable than usual while this lasts.

☾ Moon ☿ Quincunx ♊ natal NNode ★

You feel **slightly out of step with what you normally want to work toward**, as if your immediate emotional needs don't quite match your longer-term direction. This mismatch creates a mild restlessness where you question whether you're on the right track, even though nothing concrete has changed. Over the coming weeks, you'll likely make small practical adjustments to your routine or goals just to reduce the discomfort.

☉ Sun ♂ Conjunction ☿ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

♃ Jupiter ☐ Square ☉ natal Sun

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

♃ Jupiter ☐ Square ☿ natal Mercury

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♁ Chiron ♂ Opposition ♆ natal Neptune

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

♿ Mercury Rx · ♷ Pisces

Thinking becomes impressionistic rather than precise during this period, making concrete decisions harder than usual. Miscommunications arise from vagueness — what you think you said and what others heard often differ. Creative and intuitive work benefits from this diffuse quality; contracts and deadlines do not.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun * Sextile ♃ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

LUNAR DAY

Moon in ♷ Pisces · Day 1 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
