KEY TRANSIT FACTORS

☉ Sun △ Trine ♁ natal Chiron ★

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

☉ Sun ♂ Opposition ♃ natal Jupiter ★

Right now you're running into limits on your confidence and optimism that can feel frustrating. You may **overcommit to plans or promises** only to realize you don't have the resources or energy to follow through, leaving you embarrassed or defensive. Over the coming weeks, the practical lesson is to check your assumptions before you say yes, because your instinct to be generous is working against your actual capacity.

☉ Sun ♂ Conjunction ♃ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

♇ Pluto ∟ Semi sextile ♊ natal NNode

Over the coming weeks, you find yourself **naturally drawn toward people and situations that feel genuinely right for you**, without needing to overthink the decision. Small obstacles that usually frustrate you seem easier to work around, and you notice you're less defensive when someone challenges your choices. This is a good time to say yes to invitations or opportunities that align with what you actually want, because your instincts are working quietly in your favor.

♂ Mars ∟ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

♇ Pluto □ Square ♂ natal Mars

You are feeling blocked when you try to act on what you want, and small frustrations can trigger **sudden intense anger** that surprises even you. Your usual way of getting things done meets resistance from other people or from circumstances, leaving you feeling powerless and resentful. Over the coming weeks, you will need to pay attention to where you are actually pushing too hard instead of assuming others are the problem.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ♂ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.
