♇ Pluto	in ♎ Libra	16°27'10"	VIII
♁ Chiron	in ♉ Taurus	1°18'59"	II Rx
♁ North Node	in ♎ Libra	11°07'00"	VIII Rx
♁ Lilith	in ♊ Gemini	26°56'07"	V

## KEY TRANSIT FACTORS

### ♄ Saturn ☐ Square ♁ natal Chiron

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

### ♄ Saturn qx Quincunx ♃ natal Jupiter

Over the coming weeks, you feel caught between wanting to expand your plans and a nagging sense that something needs tightening up. You find yourself **second-guessing decisions you would normally make quickly**, asking practical questions about timelines and resources that didn't occur to you before. This mismatch between your optimism and your caution isn't comfortable, but it often leads to better-prepared choices once you sit with the discomfort.

### ♃ Jupiter ∟ Semi sextile ♂ natal Mars

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

### ♅ Uranus qx Quincunx ♂ natal Mars

Your usual way of pushing forward or getting things done feels slightly off right now, like your timing is consistently a beat late or your efforts land awkwardly. You might find yourself **starting projects with energy but then stopping to rethink your approach** halfway through, which can be frustrating if you're used to just powering through. Over the coming weeks, the practical answer is to build in extra adjustment time and expect that your first attempt at something physical or competitive may need a revision.

### ♆ Neptune △ Trine ☾ natal Moon

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

### ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

### ☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

### ☉ Sun \* Sextile ♃ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

### LUNAR DAY

Moon in ♑ Capricorn · Day 5 / 30 · Waxing Crescent

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

### CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Sagittarius

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
