KEY TRANSIT FACTORS

☾ Moon ☐ Square ♂ natal Mars ★

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

☉ Sun ♂ Conjunction ☿ Mercury ★

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

♇ Pluto ☐ Square ♄ natal Saturn

You feel **trapped by your own rules** right now, as if the structures you built to keep yourself safe are suddenly too tight. You become more rigid and defensive about how things should be done, pushing back hard against anyone or anything that challenges your system. Over the coming weeks, you will likely experience real friction at work or in relationships because you cannot bend, even when bending would help.

♇ Pluto ∟ Semi sextile ☿ natal Mercury

Your thinking becomes **sharper and more direct** while this transit is active, and you find yourself cutting through confusion to get to what actually matters. People respond well to your communication right now because you speak with real conviction and skip the unnecessary parts. Over the coming weeks, you may notice conversations go deeper than usual and that others take your words seriously.

♀ Venus ♂ Conjunction ♀ natal Venus

Right now you're more **willing to say yes to social invitations and physical affection**, and people tend to respond warmly to you. You feel genuinely more comfortable in your own skin, so you attract attention without trying hard. Over the coming weeks, this is a natural time to deepen relationships or start something new, because you're showing up as your most relaxed self.

☉ Sun ∟ Semi sextile ☉ natal Sun

You're finding it easier to **speak up about what matters to you** without the usual doubt holding you back. People around you respond well to this quieter confidence, and small wins follow naturally. This supportive influence from *Sun* semi-sextile your natal *Sun* lasts a few weeks and gives you a gentle boost in recognizing your own value.

♄ Saturn Rx · ♋ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

☉ Sun ☌ Conjunction ♇ Pluto

These days you're more aware of what actually matters to you and less willing to pretend otherwise. You may feel **driven to make real changes** — dropping habits that feel fake or relationships that drain you — even if it makes things uncomfortable for a while. This isn't about drama; it's about wanting your life to match what you actually believe.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNAR DAY

Moon in ♏ Scorpio · Day 29 / 30 · Waning Crescent

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
