KEY TRANSIT FACTORS

♇ Pluto ☌ Quincunx ☾ natal Moon ★

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

♇ Pluto ☌ Semi sextile ☽ natal Uranus ★

These days you're picking up on small ways you could shake up your routines without upending your whole life, and you're **moving on these ideas gently instead of fighting yourself**. A shift you've been resisting for months suddenly feels possible because you see how to do it step by step rather than all at once. Over the coming weeks, you'll likely surprise yourself with how much you can actually change when you stop waiting for permission.

☉ Sun ☌ Trine ♄ Saturn ★

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can **break tasks into realistic steps** instead of getting stuck in your own way. The practical support is there if you use it — the *Sun* trine *Saturn* makes real effort pay off in real results.

♄ Saturn ☌ Quincunx ☽ natal Uranus

Right now you feel caught between wanting to stick to your usual routines and an urge to break free from them, which creates an awkward tension in practical decisions. You might find yourself **hesitating before making changes** that normally feel automatic, or feeling frustrated when rules or limitations interfere with your independence. This period pushes you to figure out a middle ground, though it won't feel comfortable while you're looking for it.

♃ Jupiter ☌ Trine ☽ natal Uranus

Over the coming weeks, you'll find yourself more willing to take practical risks and try new approaches without the usual anxiety holding you back. Your mind works faster than normal, and you spot solutions others miss because you're not stuck in old habits. This is a good time to pitch ideas at work, start something you've been putting off, or reorganize your life in ways that actually feel liberating instead of chaotic.

☉ Sun * Sextile ♆ natal Neptune

Right now you find it easier to **notice details you usually miss** in conversations and situations around you. Your imagination is working better than usual, so creative projects or problem-solving feels more natural without forcing it. People also seem more receptive to what you say, as if your words land more gently with them during these weeks.

☿ Mercury Rx • ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.
