KEY TRANSIT FACTORS

☿ Mercury ☿ Quincunx ♆ natal Neptune

While this lasts, your thinking becomes **less direct and harder to pin down** — you might start a sentence knowing what you want to say, then lose track halfway through. Your mind is picking up on details and hunches that don't fit neatly into words, which makes explaining yourself to others feel awkward right now. Over the coming weeks, stick to practical lists and written notes rather than relying on real-time conversation.

☾ Moon ☐ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

☿ Mercury ☿ Quincunx ♇ natal Pluto

Right now your mind is picking up on uncomfortable truths that you normally ignore, and you feel compelled to talk about them even though it makes conversations awkward. You may notice **your words come across more bluntly than usual**, especially about other people's behaviour or secrets, which can create friction in relationships. Over these coming weeks, you'll do better if you pause before speaking and ask yourself whether what you're about to say actually needs to be said right now.

♇ Pluto ♂ Conjunction ♀ natal Venus

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

♆ Neptune ☐ Square ♂ natal Uranus

You feel torn between wanting to break free from something and being unable to see clearly what needs to change. Your impulse to rebel clashes with confusion about which direction actually makes sense, leaving you **restless and indecisive**. Over the coming weeks, small frustrations can pile up as you second-guess decisions you thought were final.

♀ Venus Rx · ♊ Gemini

Social connections from the past resurface and existing relationships require more honest communication than usual. Flirtation and surface-level charm lose their usual effect during this period. What you actually want from relationships — rather than what seems appealing — becomes clearer if you pay attention.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ∟ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun ☐ Square ♅ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

LUNAR DAY

Moon in ♍ Virgo · Day 9 / 30 · First Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
