KEY TRANSIT FACTORS

♇ Pluto ☌ Conjunction ☉ natal Sun

Right now you're experiencing a psychological pressure to prove yourself or remake who you are. You may feel **driven to cut away parts of your life that no longer fit**, whether that means ending a relationship, quitting a job, or completely changing how you present yourself. Over the coming weeks, pay attention to whether you're making these changes deliberately or if you're just reacting to a sense that something has to break.

♁ NNode △ Trine ♅ natal Uranus

Over the coming weeks, you find it easier to **break free from routines that no longer fit** without feeling guilty or reckless. Your instinct for what needs to change aligns naturally with the directions your life is actually moving, so small rebellions feel honest rather than impulsive. This is a good window to experiment with new approaches to work or friendships and trust that the timing is right.

♁ Chiron □ Square ☾ natal Moon

Right now you're more aware of emotional wounds you usually ignore, and that awareness feels uncomfortable rather than helpful. You might find yourself **withdrawing from people or snapping at them unexpectedly** because your usual emotional coping methods aren't working. Over the coming weeks, this friction is pushing you to look at how you actually handle upset instead of just moving past it.

♅ Uranus □ Square ♆ natal Neptune

Right now you're caught between wanting to break free from something and feeling unsure what you actually want instead, which makes your decisions feel scattered and impulsive. You may **act on sudden urges to change your routines or relationships without thinking through the practical consequences**, then feel confused or regretful days later. Over the coming weeks, the best move is to slow down before making big changes and write down what you're really trying to escape from, because the clarity you need isn't here yet.

♅ Uranus qx Quincunx ♇ natal Pluto

You feel an odd restlessness about situations you thought you had under control, and you're picking up on small details that suddenly seem important. Your impulse is to shake things up or take back power, but the timing never quite feels right, leaving you **frustrated by your own hesitation**. Over the coming weeks, small adjustments to your approach will work better than any dramatic move.

♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

☉ Sun ☌ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☌ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♃ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♊ Gemini · Day 7 / 30 · Waxing Crescent

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
